

Spring Term Newsletter 1 7th January 2020

Dear Parents / Carers,

Happy New year to you all from everyone at St. Gregory's.

Due to the retirement of Mr Smithson at Christmas I was approached to support St. Gregory's in the absence of a permanent Head Teacher. I have been given the very grand title of "Executive Head Teacher" but basically I am an experienced Head Teacher leading two schools for a temporary period. I met the children in their classes and during assembly yesterday. I look forward to working alongside them for the next two terms.

It is my intention to lead the school forward and maintain all that is good about St. Gregory's. My role is for two terms only and I will be supporting governors as they look to recruit a permanent full-time Head Teacher to start in September 2020.

I would like to invite you to a very informal coffee/tea morning on Wednesday 15th January from 8.55 a.m. to 9.30 a.m. in the school hall so you can meet me and put "a face to the name".

Once again Happy New Year and God's Blessings to all your family and friends.

Yours sincerely,

Martin G. Humble

Martin G. Humble.
Executive Head Teacher.
