

## What is the Sports Grant?

The Government is providing funding of £150 million per annum for academic years 2013/14, 2014/15, 2015/16, 2016/17 2017-2018 to provide new, substantial primary school sport funding'. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools.

## Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

## How we spent the Sports Funding and who benefited?

At St Peter and Paul RC Primary we continue ensure that our pupils have access to a high quality and enjoyable physical education programme as this is a vital part of a child's development. We aim to develop each child's physical confidence and skills enabling them to lead healthy lifestyles.

Through our curriculum we offer the children opportunities to compete both against themselves and others, in order to build self- confidence, resilience and a sense of fair-play. The curriculum is designed to enable all children to participate including those who are more able, as well as those with additional needs.

The P.E. and Sports premium has been used and will continue to be used to promote and develop these aims, as well as support teaching staff in their continuous professional development.

The £17670 grant PE and Sport grant that we received was mostly allocated to skilled coaches that led and mentored teachers during lessons to improve their skills teachers continued to be identified and mentored by the sports coaches to improve their skills which they developed last year whilst lesson were taught.

Funding was allocated to improve the image of school sport and sports kits were purchased to help rise the profile of school sports. Children felt that they weren't going to win competitions because they didn't look good. Enabling the children to feel good and look good made them happier to participate in more tournaments off the school premises.

Funding was allocated to a service level agreement with the local secondary school sports specialists, where our lead PE teacher took part in training on management, subject development, specialist sport specific coaches , inter school competitions and equipment.

Funding was again allocated for transport to and from venues this enabled the children to participate in more tournaments off the school premises seeing a rise in the number of children participating in competitive sports.

The impact of the PE and Sports grant funding has been that teachers now more skilled in teaching quality PE, we have seen an increase in the number of children have taken part in competitions between schools, more sports are being ran at lunch times with the help of our School Buddy System and Sports Leaders, more quality PE is being taught, more tournaments have been participated in.

### Financial Breakdown

PE GRANT 2017- 2018		£ 17670 ( £1301) carry forward
Travel		2010
Grass Roots		5868
Nursery Trim trail		2065
School Strips		3040
Boldon SLA		2500
Lunchtime PE Equipment		646
St Wilfrid's SLA		150
South Tyneside FA		80
Bishops Cup		10
Total Spend		16369

### How will we be spending the Sports Grant in 2017-2018 (£)

In 2018-2019 the school is planning to invest some of the Sports Grant money this way:

- Providing funds to purchase a recording system for assessing PE.
- Further new markings for yards nursery infant and junior – School council to decide what markings.
- Playground resources
- False grass for outdoor gym and around junior trim trail.
- PE Kit for extra classes

- Providing opportunities for pupils to take part in quality PE lesson and afterschool school sport clubs. Grass Roots to provide After School Club for all Keystages based on PE Lessons.
- Continuing Change4Life sport club (Fitness club)
- Continuing to pay for professional development opportunities in PE (Grass Roots)
- To continue to buy into buying quality assured professional development modules or materials for PE/sport e.g. South Tyneside School Sport Grant Service Level Agreement and St Wilfrids Cluster
- Provide transport for tournaments which will enable school to take part in more sports opportunities.
