

P.E. and Sport Premium Spend Plan / Statement 2018-19

Rationale: At SS Peter Paul Primary we believe that a high quality and enjoyable physical education programme is a vital part of a child's development. We aim to provide the opportunity for our children to safely experience a range of sporting activities for their fun and enjoyment. Through carefully planned PE and sports activities we aim to ensure that all children are happy and enjoy PE, thus raising participation levels both in and out of school and therefore in turn, promoting healthy lifestyles.

We strive to provide high quality PE and sports teaching in both curriculum and after school clubs. We aim to ensure that within their own level of ability all children can achieve and experience success, thereby enabling them to reach their full potential.

We value the benefits of PE and sport to build children's self-confidence, esteem and self-worth that is character building and essential for our pupil's development.

We aim to provide opportunities for all children to experience competition at various levels both individually and as part of a team by means of in and out of school competitions. This will hopefully inspire children to participate fully and benefit from all aspects of sport physically, emotionally and socially.

At SS Peter Paul Primary we have welcomed the Government's announcement to extend the Sport Premium to help primary schools improve the quality of the PE and sport activities they offer their pupils and we are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Financial Statement

The government is currently providing additional funding of £150 million pounds each year to improve provision of physical education and sport in primary schools. This funding is ring-fenced and therefore can only be spent on the delivery of PE and sport in school. Each school received £8000, plus £5 per pupil on roll (Y1-Y6) in from 2013 until 2016/17. From 2017/2018 schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. Therefore we will receive £17716 this year.

Using the premium the following provision for children and continuous professional development for teaching staff has been actioned.

What does the Sport Premium mean for my School? "Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this." (DfE JUNE 2013)

This year we decided to Focus on three key areas for the funding; Physical Education/Curricular PE, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:

Total number of primary aged pupils between the ages of 5-11 (Jan 2018) 175	
Total amount of Sport Premium Grant received:	£17716
Physical Education: Raising standards of all our children in physical education	
Objectives	Intended Outcomes
<p>SLA with Sports Partnership in South Tyneside Sports coach specialist delivering lessons and CPD with staff PE subject leader to attend regular CPD opportunities</p> <p>Purchase of new equipment to support delivery of high quality PE</p> <p>Provide Y5 pupils with Sports Ambassador training</p> <p>Provide Transport to competitions</p>	<p>Wide range of festivals and sporting competitions entered throughout the year. A wide range of children from across the school exposed to a range of sports. (SL Agreement South Tyneside = £2250) Quality CPD delivered to all staff. Mentoring programme developed.</p> <p>PE subject lead provides feedback in staff meetings from Co-ordinator meetings and training to improve whole school PE delivery.</p> <p>Y5 pupils will be able to lead games on school yard confidently and competently</p>

Competitive School Sport: Increasing pupils' participation in extra-curricular sport	
Wide variety of extra-curricular clubs with a physical / sports focus to take place throughout the academic year	To enable more children to represent the school in health related activities.

Children not attending a club will be targeted and encouraged to participate in a club

Increase participation in clubs and engage targeted children

Competitive School Sport: Increasing pupils' participation in extra-curricular sport

To continue to raise the amount of competitive sporting opportunities for pupils

South Tyneside Sport Network will host a range of sporting events including:

KS2 Sportshall Athletics, KS2 Cross Country, KS2 Athletics,, KS2 In 2 Hockey, KS2 Multi Skills, KS2 Tennis, KS2 Netball.

KS1 Multi Skills, KS1 Athletics, KS1 Mini Tennis, KS1 Mini Golf, KS1 OAA.

A wide number of children from across KS1 & 2 will engage in a range of competitive sporting activities, as well as festivals to celebrate sport and exercise.

Sustainability of Funding:

Sports Ambassadors:

Training of Y5 pupils will allow the 4 identified pupils to support new games initiatives in our outdoor area during break times. The older pupils will develop and encourage fellow pupils to use skills taught in other year groups and apply to given tasks. This will ensure that all children will continue with healthy, active lifestyles during morning break and lunchtime sessions

Identified Staff:

PE lead more confident in observing and managing curriculum thanks to ongoing support and CPD from Community Network
Staff more enthused and confident in delivering PE lessons when they have to thanks to ongoing CPD from GrassRoots when applicable.

Behaviour:

Staff has observed a positive change in pupils who are participating in sports initiatives.

Teamwork: sportsmanship, increased participation, perseverance, stamina, respect and tolerance for one another.

Lunchtime structured play: Due to introducing a structure to lunchtime play (Play Leader) pupils are more regularly active and they are adopting healthier lifestyles. Therefore the portfolio of PE and sport has been raised across the school.

Staff: There is an increased confidence in knowledge and skills of the staff in SS Peter Paul Primary and there are broader experiences of a range of sports and activities daily happening within the school.

Opportunities: The children have been given the opportunity to participate in sports, compete for school and travel to events which they otherwise would not have access to.

Aspirations: Pupils are aspiring to represent their school with pride. Their self-esteem has been increased and pupils are positive role models to their peers.

Meeting national curriculum requirements for swimming and water safety School Achievements:	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	73%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	46%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	73%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

PE Spend Breakdown

	Sept -18 - Mar-19
PE Grant	£17716.00
