

**the ST LAWRENCE academy**

20<sup>th</sup> September 2017

Dear Parent/Carer,

It has been noticed that students have been wearing leggings and branded tracksuit bottoms which are not part of the academy PE uniform. From Monday 30<sup>th</sup> October the PE department will be checking that students are only wearing PE Kit approved by the academy and parents will be notified if students are wearing unacceptable kit.

Therefore, as we are heading towards the colder weather we have looked into finding suitable tracksuit tops and bottoms that the students would be able to wear. We have looked at several companies who are able to provide these items and we have decided that the tracksuits from Pendle Sportswear are the most suitable. Pendle Sportswear are an online company who you can order from directly.

The link below is for the track suits that have been approved:

I would however like to stress that this is not a compulsory item and the purchase of a tracksuit is an optional choice.

Yours Sincerely

Subject Leader of PE
