## Pupil Premium Grant

### **Pupil Premium Grant (PPG)**

#### **What is PPG**

The pupil premium is allocated to local authorities and schools with pupils that are known to be eligible for free school meals (FSM) as recorded on the January School Census. Funding is also available to children in care (who have been looked after continuously for at least six months) and to children whose parents are in the Armed Forces.

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their wealthier peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most. The Department for Education urges schools and local authorities to encourage parents to register their child as eligible for FSM so that each school receives their maximum Pupil Premium entitlement.

#### **Pupil Premium Grant 2015-16**

- Direct intervention for pupils where achievement does not meet expectation with regard to their academic, emotional and social well being
- Develop high quality preparation for life beyond school and provide work experience that support pupils move toward the world of work
- Support for parents and carers through focused workshops that help them meet their own child needs and keeping them safe
- Support for activities that help all pupils' access quality outdoor and offsite learning.

The Strategic Leadership Team maintains an overview of the provision for vulnerable pupils and of the progress they are making. The Head teacher feeds back to Governors

The Head Teacher's Termly Report includes information on:

- The range of interventions used and the impact of those
- The cost effectiveness of the provision made ("value for money").
