

Parent Teacher Online – Guidance for Parents

The college invests in Parent Teacher Online (PTO), an online booking system, that enables parents to book appointments for parents evening from any internet based computer or mobile phone.

- Parents login to see all their children(s) teachers and classes.
- They can see at a glance which teachers really wish to see them , and then select any teachers they want to meet with.
- PTO organises with a few clicks all the interviews (in automatic mode) or parents can select their own interview slots (in manual mode).

The college will send log in information by post to the primary parent/carer registered with the college prior to each parents evening.

To access PTO click, go to the college website and click on the  link at the bottom of the homepage. Follow the online instructions to book appointments.

If you have any problems accessing the site, please contact Gill Shaw, Data Manager, at the college.
