

Dear parents/ carers,

As you are aware, all schools in the UK will be closed as of tomorrow night apart from for the children of key workers and vulnerable children. To support you with your child's learning at home, we will continue to provide work for them through the following ways:

- Those with internet access we have provided exercise books for you to complete tasks at home via our website and Purple Mash which will be updated weekly. Activities do not need to be printed out as they can be recorded in the books provided. Your child may want to format their work as they do at school, with a date and title.

Usernames and passwords have been sent home today, for children not here they will be available from the office.
- If you do not have access to the internet, we have sent an initial work pack with this letter. If you require more work packs, these can be collected from the office weekly providing you are not in isolation. This will continue for as long as the school building formally remains open.

Given we are unsure how long schools remain closed, we are recommending that you try to carry out a reading, writing and maths task with your child each day.

Your child also has an account on the following programmes:

- TT Rockstars <https://play.ttrockstars.com/auth/school/student/16785>
- Spelling Shed

Your child has been given a username and password for these accounts so can access this at home.

If you require additional materials to support you at home, the following websites are offering free subscriptions during school closures:
