

# JOSEPHINE BUTLER SECONDARY CAMPUS KEY STAGE 3 CURRICULUM

Students in Key Stage 3 at Josephine Butler Secondary Campus follow a broad and balanced curriculum that builds on some of the core skills delivered in the primary phase, and extends their experience into a range of subjects that are new to them in Year 7. The subjects studied in Key Stage 3 are:

Art and Design
Computing
Drama
English
French and Spanish
Food Technology
Geography
History
Maths
Music
Physical Education
Personal, Social, Health and Careers Education (PSHCE)
Religious Studies
Science

The KS3 curriculum is being refreshed currently, and a year plan will be published in this document for each subject for parents / carers to see what topics are being covered throughout the year.
