

Statement of Intent

- Our curriculum is underpinned by robust research.
- It provides our children with the requirements of the National Curriculum, delivered through pertinent topics and focusing on local links.
- We aim to provide a broad and balanced curriculum filled with enrichment and experiences.
- We use the curriculum as the progression model and intelligent use of assessment to inform curriculum delivery from year group to year group.
- We use Primary Impact to track attainment and plan and personalise learning from Years 1-6 for Reading, Writing and Maths

[This is how we deliver our curriculum.](#)
