## Mrs Royal's Class of Friends

In Mrs Royal's class, we have started working with Mrs Graham to complete a 'Friends for Life' course. We are exploring the relationships we have with our friends and linking it to our emotions. So far, we have investigated different emotions we may feel and what that looks like. Then, we decorated a piece of fruit to show an emotion we had felt recently. It was very interesting to see the different ways the same emotion can be shown! We are looking forward to learning more about emotions and the effect they have on our bodies and in turn, our relationships we have with others.

## Parking

Yet another reminder to park respectfully of our residential neighbours. Please do not block garages, drives or disabled bays.

**We appreciate your support on this matter.**

## Oral Hygienist Visit

As part of the PSHE curriculum, Mrs Hall's Year 1 class have been learning about hygiene and ways of keeping clean. Carol, the oral hygienist came in and talked to the children about cleaning their teeth and the different types of food, which are good and bad for our teeth. She even gave them some toothpaste to take home.

## Uniform

We would like to remind parents/carers that the following are not part of school uniform -

- Hoodies (except for PE)
- Nail Varnish

Sweatshirts / jumpers/ cardigans should preferably be navy, trousers/skirts grey and shoes/trainers should be black/dark colours. Brightly coloured trainers should only be worn for PE/games.

**We appreciate your support on this matter**

## Coats

Please ensure your child wears a coat for school. The children need one for break times during the school day, even if they are brought to and from school in the car.

Thank you!
