

Enfield Grammar School Careers/HE Fair

Friday 28th June

On Friday, the school will be hosting a Careers/Higher Education Fair for students in years 9-12 in the Upper School Sports Hall.

You will be given the opportunity to meet with employers and Universities to discuss potential future career and study paths to determine a clearer idea of how to achieve your future aspirations.

For those of you who do not yet know what the future holds, this is an opportunity to start thinking about careers and fields of study, there will be a variety of courses and careers on show.

Enfield Grammar School Careers/HE Fair

Friday 28th June

The event will take the format of our students circulating informally to various stalls to gain an insight and understanding of the variety of career paths open to them. Stalls will provide handouts and may also sign students up to career schemes. This is your time to network and make a good impression on a potential future employer or University.
