

A LEVEL PE/BTEC SPORT INDEPENDENT STUDY

- Watch sport, listen to interviews and even the commentary during games and try to apply it to the course as it's a very relevant content based course.
- Look up and make notes on the suggested educational videos online.
- Buy revision guides to use as a secondary source whilst revising.
- Record a simple definition of 3 new words learnt each week
- Use the exam board materials to create an example of a type of question you might get on topic being studied.
- Think about where they want this course to lead them.
