Year 12 to year 13 journey

- No AS exams- all exams are linear and taken at end of Year 13
- Progression to Year 13 requires a minimum of a D at the end of year 12.
- End of Year 12 grades also form an indicator for UCAS/Apprenticeship grade predictions.
- First Mocks Commence Jan 7th, followed by PPE in March and progression exams in June. We would expect boys to be reaching or near target grade by end of year 12.

Supervised Study

- All sixth formers will have allocated Supervised Private Study sessions on their timetable.
- The key to students academic success lies in efficient use of their free time.
 - ❑ 1st Term aim for 9 hours a week independent study
 - ❑ 2nd Term aim for 12 hours independent study
 - ❑ In year 13, A/A* Students were doing up to 20 hours a week
 - ❑ A grade B at GCSE equates to a D at A Level without independent study and good attendance.

Independent study and Folders

Boys should be using this time to complete homework, independent study (additional reading, practice questions, PLCs etc), organisation of subject folders and preparation for assessments.

Independent Study Sheets - Be prepared by reading through your subject choices worksheets. You should be aiming for 9 hours a week independent study in the first term of year 12 (3 hours per subject). Remember that a 6 at GCSE equates to a E at A level. You have to put in the work! Please also read the A Level Mindset Powerpoint attached.
