1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what academies should publish online](#), and complies with our funding agreement and articles of association.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

The PPG is used by the academy to deal with the barriers that disadvantaged students can face, which includes:

- Low literacy levels
- Low aspiration
- Lack of awareness and understanding of wider society in terms of their cultural development
- Lack of planning or preparation for key educational transition points, including post-16
- Lack of wider role models for aspirational employment
- Poor attendance

Academic Achievement

The academy is a member of PiXL and uses many of its recommended initiatives to diagnose, intervene and test for progress.

The following strands typically make up our approach:

- Use of Mint class software, to help support teachers with identifying and tracking pupil premium students
- 3 Data Collection Points during the course of the academic year, linked directly to clear and rigorous subject assessments
- Subject internal tracking systems, with planned teacher interventions, focusing around identifying and addressing gaps in skills and knowledge
- Learning Quality Assurance (LQA) programme, linked to CPD, with a clear focus on the progress of pupil premium students in lessons
- Specific interventions for Year 11 pupil premium students, with outcomes monitored fortnightly at SLT and via subject leadership.

Pastoral Welfare

- Close monitoring by the academy's attendance team, who will work with the pastoral team to intervene regarding the attendance of pupil premium students, particularly any who are classified as persistent absentees.
- The provision of pastoral support for any pupil premium student who presents with a particular need; also, an identified safeguarding concerns will be addressed and monitored closely each week.
- Funding enrichment and extra-curricular activities.

We will publish information on the academy's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online.

Information on how the school uses the pupil premium is available here:

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Years 7-11 inclusive.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

5.3 Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

5.4 Ever 6 service children

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.

7. Monitoring arrangements

This policy will be reviewed every two years by the member of the Senior Leadership Team allocated the responsibility of Pupil Premium. At every review, the policy will be shared with the governing board.
