Dear parents and carers

I am writing to advise you that the academy has made the decision to cancel the proposed trip to Iceland in October 2020.

Whilst I know that a number of families will be disappointed by this news, our priority must always be to protect our students from any form of harm.

Having sought advice from external agencies regarding the current concerns around the coronavirus, we consider there is simply too much uncertainty at present to enable us to confidently plan and run an overseas trip at this time.

I will ensure that any parent or carer who has paid their £100 deposit via parent pay, to secure an initial place on the trip, has this money reimbursed this week.

Thank you for your understanding and support with this matter.

Yours sincerely

Andrew Bilton
Vice Principal
