

## Dunn Street Primary School

### Pupil Premium Allocation 2013-2014

#### What is pupil premium and how have we spent our allocation.

We ensure that teaching and learning opportunities meet the needs of all of our pupils and appropriate provision is made for pupils who belong to groups known to be vulnerable. Pupil premium was introduced by the government in April 2011 and was allocated to schools for pupils registered as eligible as Free School Meals (FSM). It is believed that pupil premium is the best way to address the inequalities between FSM children and non FSM children so funding is used to advantage those pupils who need it most.

The total amount of Pupil Premium allocated to Dunn Street Primary School for 2013-14 was **£86,400**, and was used in the following ways.

- 1:1 tuition in English and Maths
- Extra Curricular Balance and Co-ordination Club (Finn's Club)- targeted at EY and Ks 1 children experiencing gross motor skill difficulties, to ensure all pupils have opportunities to develop physically.
- Funding of SEN support teacher (3 days per week)
- Heavily subsidised Educational Visits to ensure that the trip takes place and to increase the children's experiences to stimulate their work.
- Additional classroom support, employed for use across the school
- Targeted reading support from teaching assistants throughout school
- More able comprehension group with additional teacher
- Weekly percussion sessions delivered by peripatetic teacher for Y4, so pupils have the opportunity to learn a musical instrument.
- Weekly penny whistle sessions delivered by peripatetic teacher for Y3, so pupils have the opportunity to learn a musical instrument.
- Funding of small group weekly clarinet and brass tuition for more able musicians
- Transport of Choir members and musicians to give performances in Newcastle, Gateshead, Darlington and locally so that children have the opportunity to perform outside of school.
- Annual pantomime for all KS2 pupils at Christmas to ensure that all pupils are given the opportunity to experience live theatre.
- Additional Theatre groups to deliver themed curriculum shows.
- 'Cook It' after school club for parents and children to learn to cook healthy meals together.
- Funding for Y6 Outdoor Activity Week to ensure all pupils' receive equal opportunities in outdoor education.
- Technology Days in each class with specialist DT teacher.

## Breakdown of Costs 2013-14

<b>Funding for Academic Year 2013-14</b>	<b><u>£ 86 400</u></b>

<b>Technology Days</b>	<b>£ 1,190</b>
<b>Learning Resources</b>	<b>£ 3,553</b>
<b>Total cost</b>	<b><u>£86,400</u></b>

## Impact

- Continued funding of SEN teacher to assist with their learning.
- Additional staff used to allow setting arrangements in Key Stage 2 to reduce class sizes when taught literacy and numeracy.
- Increased potential for smaller group work.
- Improved results at Key Stage 2 for all pupils
- Improved results for disadvantaged pupils against those classed as non pupil premium children.
- Exposure to wider opportunities, in the form of musical tuition that develops increased listening and concentration skills.
- Exposure to different environments and experiences that provide stimuli for further work.
- Enrichment of the curriculum to increase levels of engagement within lessons.
