

Dunn Street Primary School

Allocation of Pupil Premium Funding 2016-17

The Pupil Premium allocation for Dunn Street Primary School for the Financial Year May 2016-April 2017 is £ 134, 200. Government Guidelines stipulate that this money should be used to try and close the gap in results that exists between the most disadvantaged pupils and those not in this category

We ensure that teaching and learning opportunities meet the needs of all of our pupils and appropriate provision is made for pupils who belong to groups known to be vulnerable. Pupil premium was introduced by the government in April 2011 and was allocated to schools for pupils registered as eligible as Free School Meals (FSM). It is believed that pupil premium is the best way to address the inequalities between FSM children and non FSM children so funding is used to advantage those pupils who need it most. Children with designated Special Educational Needs, Children who are looked after outside of their family and children under Child protection also qualify as pupils receiving Pupil premium.

The total amount of Pupil Premium allocated to Dunn Street Primary School for 2015-16 is to be used in the following ways.

- 1:1 tuition in English and Maths by Senior staff members
- Extra-Curricular Balance and Co-ordination Club resources targeted at EY and Ks 1 children experiencing gross motor skill difficulties, to ensure all pupils have opportunities to develop physically.
- Funding of SEN support teacher (3 days per week)
- Heavily subsidised Educational Visits to ensure that the trip takes place and to increase the children's experiences to stimulate their work.
- Additional Teaching Assistant employed to work with two Autistic children in Year 1
- Targeted reading support from teaching assistants throughout school
- More able comprehension group with additional teacher
- Weekly percussion sessions delivered by peripatetic teacher for Y4, so pupils have the opportunity to learn a musical instrument, and develop concentration levels

- Weekly penny whistle sessions delivered by peripatetic teacher for Y3, so pupils have the opportunity to learn a musical instrument, and develop concentration levels.
- Funding of small group weekly clarinet and brass tuition for more able musicians
- Transport of Choir members and musicians to give performances in Newcastle, Gateshead, Darlington and locally so that children have the opportunity to perform outside of school.
- Annual pantomime for all KS2 pupils at Christmas to ensure that all pupils are given the opportunity to experience live theatre.
- Additional Theatre groups to deliver themed curriculum shows.
- Funding for Y6 Outdoor Activity Week to ensure all pupils' receive equal opportunities in outdoor education. Numicon maths resources for focussed interventions.
- Technology Days in each class with specialist DT teacher.
- Assisting with costs associated with the installation of additional teaching space, and to create a multi-sensory room for ASD children in school.
- The purchase on an 'in – house' Speech and language service that is directed at targeted children whose parents have not kept appointments with Speech and language services or for those children who have been referred but are on waiting lists to be seen. (Metis Therapy)
- Purchase of additional ICT Resources and software for targeted intervention programmes to be used.- (I pads , I pad mini s an I pods)
- More able children have access to 'Third Space Learning' an on line tutoring service for maths teaching.
- Purchase of equipment to make 'Homework Packs' for EY children to take home so that they have all the equipment necessary to complete homework and other tasks, set by the school.
- Participation in a 2 year national programme to target and raise the progress levels of children in Key stage 2 that are falling behind - Achievement for All Programme (EEF)- Year One a second financial contribution will follow in Year 2.
