Frequently Asked Questions

How does Prevent relate to British values?
Schools have been required to promote British values since 2014, and this will continue to be part of our response to the Prevent strategy.

British values include:
- Democracy
- The rule of law
- Individual liberty and mutual respect
- Tolerance of different faiths and beliefs

Isn’t my child too young to learn about extremism?
The Prevent strategy is not just about discussing extremism itself, which may not be appropriate for younger children. It is also about teaching children values such as tolerance and mutual respect.

The school will make sure any discussions are suitable for the age and maturity of the children involved.

Is extremism really a risk in our area?
Extremism can take many forms, including political, religious and misogynistic extremism. Some of these may be a bigger threat in our area than others.

We will give children the skills to protect them from any extremist views they may encounter, now or later in their lives.
