Values Driven Education
Live Love Learn
Welcome to Edward Peake C of E Middle School. We are very proud to be a Voluntary Controlled Church of England school within the Biggleswade three tier system of schools. We work hard to make sure that our faith supports each individual at Edward Peake to flourish and challenges us all to live life to the full.

We are determined that by the time Edward Peake pupils leave us, they will be confident and proficient in the core curriculum, independent learners, curious about the world around them and have a well-developed sense of personal responsibility. Our vibrant sense of community and our values-driven education really comes alive on a daily basis.

If you like the sound of our school, there is no better way of discovering what we are like and what we have to offer, than by taking a tour. Please contact the school office via email at info@edwardpeake.beds.sch.uk if you wish to arrange a visit.

Life at Edward Peake stretches beyond the classroom with a vast array of extra-curricular opportunities available to all pupils. We believe that this learning outside of the classroom is just as valuable as what happens inside it and so encourage pupils to participate in these activities. Learn

Your child will make good progress because we offer a wide range of opportunities at Edward Peake both inside and outside of the classroom. We strive for an outstanding learning environment in which all pupils can succeed.

Our focus on teaching and learning means that we offer exciting and creative approaches which help to foster a love of learning. We believe that pupils should be encouraged to be independent and resilient learners who are not afraid to make mistakes and try new things.

Our pupils are able to achieve their best through their positive approach to learning whilst being challenged, supported and encouraged by staff. Barriers to progress and achievement are removed through an understanding of their individual needs.

Pupils are fully supported in their learning both academically and through our pastoral system which ensures that they are well equipped to meet the challenges of upper school and beyond.
