Helen Gibson Nursery School
January 2015

Welcome back to a new year at Helen Gibson Nursery School. We have lots of exciting things which will be happening throughout the year so keep an eye on the website and newsletters that come your way.

Parent Workshop

12.1.15 at 5pm we will be holding a parent workshop on physical development. If you would like to attend please sign up below. If we don't get enough interest we will have to cancel. Please come along.

Health Visitor

Lynn Gale our local link health visitor will be doing drop in sessions on the 14.1.15 at 8.30 am and 12.30. If you would like to discuss anything with her please feel free to pop in.

Warm Winter Clothes

Children will be given lots of opportunities this term to play outside and try out new and exciting activities. In order for us to do this and to ensure your child has a full and enjoyable experience could you please provide them with warm clothing?

Library

Every Monday your child will come home with a library book, a story sack or a CD book. This is for you to enjoy at home with your child but must be returned to school on the Thursday of the same week.

Update the Profile

If you have a new mobile phone number or emergency contact details have changed could you please inform the office? Also if your child has any new allergies, intolerances or illnesses this must also be noted on your child's profile.

Children's Trays

Can you check your child's tray regularly so that we can ensure that all correspondence gets to you in time?

Have a fantastic January

I would like to attend the Physical Development course -

Child's name -

Parent attending -
