

Dear Parents/Carers,

It is important that students learn the value of being prepared, ensuring they have a smooth start to their lessons and are able to complete classwork. Starting from August 2019, we are making a small but significant change to our list of equipment that students are expected to bring to school every day. We are adding a pencil case to our equipment list.

As a reminder, all students must have the following equipment for every lesson. We have these items available to purchase from the main reception should that be more convenient. Here is the updated list:

- Pencil case - £1 (**NEW FOR 2019-20**)
- Blue or black pen 10p
- Pencil 10p
- Pink and green highlighter 40p (each)
- Purple pen 20p
- Ruler 20p
- Calculator £6.25
- Fully charged iPad
- Reading book

In addition, all students who have been issued with an iPad must have charged it sufficiently to last the school day (when checked in tutor time it should have no less than 80% battery life remaining). If there is a problem with their iPad, it must be returned to the IT technicians and students will be given a note to show their teachers.

Tutors will be doing a weekly equipment check. Please support your child in ensuring they are organised with their equipment.

Many thanks for your ongoing support

Rick Mooore
Head of KS3
