Regional Tennis Award

Great news - we have received recognition from the Lawn Tennis Association by being awarded 3rd place in the north-east's regional education awards. We received this due to:

1. After school club tennis provision all year round with all year groups given an opportunity to participate.
2. Curriculum provision (every class does at least a half term of tennis a year).
3. Competition opportunities (our Y3 and Y4 pupils compete every year).
4. Sign posting talented and engaged individuals to our local club, Boldon Tennis Club, who compete and achieve successfully.

A big thank you and well done to the pupils that have enjoyed tennis and a special thank you to Stephen Gilbert (coach) and Mr Wilson.

Y3 Scientists

Investigating force on materials, how can we make things move? We found out we can make objects move in lots of ways, when we apply a force.

Nissan

Our Y6 pupils have visited Nissan this term to learn about manufacturing. The children focused on forming efficient production teams.
