

Dear Parent/Guardian,

We are delighted to inform you that we are now running a film club through Into Film. A film club is a fun and exciting way for young people to watch, discuss and make films. It's also a great environment where your child can grow, gain confidence, and engage better in their day-to-day learning and development.

About Into Film

Into Film puts film at the heart of children and young people's educational, cultural and personal development.

More than half of UK schools engage with our programme of Into Film Clubs, special cinema screenings, and resources and training to support classroom teaching. Alongside rich online content for young audiences, this provides 5-19 year olds with inspiring opportunities to learn about and make film, and develop a passion for cinema. Into Film is a not-for-profit organisation supported by the British Film Institute.

How your child can get involved

As well as attending our film club, your child can join the members' section of the Into Film website www.intofilm.org. This a closed online environment where members can suggest films for their club to watch, post reviews and enter competitions.

The films shown in our film club will be suitable for your children's age. However, from time to time we may choose to show a higher certification than your child's age group, that we deem suitable and appropriate, for example, a PG rating. Film classifications are explained on the right hand-side of this form. For more details, visit www.bbfc.co.uk.

INTO FILM
