

17<sup>th</sup> March 2020

Dear Parents and Carers,

Re: Covid-19 Update 17<sup>th</sup> March 2020

(Please see message below, which WSCC have asked us to share with all parents/carers)

*Schools currently remain open and will aim to do so until advised by the Department for Education and Public Health England.*

*However following the latest government announcement, there has been a change to the advice on self-isolation and vulnerable groups.*

*If you and your child are well, please continue to come to school.*

*If you or anyone in your household is displaying symptoms then all members of the household should self-isolate for 14 days.*

*The symptoms are: a new persistent cough and/or a high temperature.*

*The following groups are also requested to remain at home.*

*Age >70*

*Adults who are eligible for a free flu vaccination due to a long-term health condition*

*Those who are immunocompromised*

*For further information, please visit the West Sussex County Council website - which also includes links to the latest government advice.*

*This is a fast moving situation and we will continue to update when we have more information.*

Yours sincerely
