

Feedback Questionnaire

Young Carers

Do you provide help for someone who is/has a physical disability, terminal or long term illness, chronic health problems, mental illness, a parent or sibling with a learning disability, an interpreting role, substance misuse of drugs or alcohol, domestic abuse and families where individuals may be going in and out of the household e.g. military, hospital or prison?

This might be:

- Helping with housework and cooking
- Helping with washing and dressing
- Keeping an eye on someone or helping with siblings
- Cheering them up
- You might simply be worried about the situation

We know that if you are caring for someone in your family, that school can sometimes be tough. Please help us to help you by answering these questions, and we will arrange to meet with you soon for a quick chat. Any information you give us will be treated with sensitivity, and will not be shared without your knowledge. We can talk to you about how we can support you in school.

Even if you don't need help right now, it is very helpful for us to know if you are a young carer, so do please give us your name and form. To remind you, all information will be handled sensitively.

Name: _____ Tutor: _____

If you do need help, please circle your answer to these questions: Please give this to your tutor or pop it in the red box at the reception

Would you like for some of your teachers to know about this so that when you need help things can be made a little easier?	YES	NO
