- Summer Diary

Welcome Back

Welcome back to the start of a new term. We hope that you had a good break and enjoyed the Easter sunshine! This term is always especially busy with trips and events so we are distributing the summer diary sheet along with this newsletter .

Google calendar

Woodcroft already provides excellent information to parents through this weekly published newsletter and our website. However, in response to questionnaire feedback requests for even more notice about events and activities we have introduced a new **School Calendar** facility on the website. This online, interactive, Google calendar will enable parents to keep up to date with all of the latest information. Go to our **School Calendar** page or click the icon on home page. Can we recommend that you choose 'Agenda' view from the tabs available if it is not selected automatically. This will display a handy list of all events throughout the term. We hope that you find this new feature useful.

Please note that Google have identified an issue with their web calendar not displaying on certain devices. We have provided a direct link on the School Calendar page if parents experience difficulty viewing.

Announcement

Congratulations to Ms Wilkes who gave birth to a lovely daughter, Amelia, over Easter. I am sure you will all join us in wishing them all our best.

Curriculum News

Next Friday, parents will receive a Year Group Curriculum Newsletter prepared by your class teachers. We hope you find this useful.
