Providing an Enriched and Extended School Experience through The Arts at Woodcroft

Welcome to the spring issue of the Woodcroft Arts News Special. We believe that The Arts promote self-confidence, concentration and resilience as well as inspiring, motivating and developing empathy. So much of what children learn through the Arts provides the basis for a successful life.

Woodcroft is a thriving school with arts and culture central to school life. This enables our pupils to express themselves confidently and creatively. With so

many exciting things happening in school we want to celebrate this through this Arts News special issue.

The ArtsAward at Woodcroft

Woodcroft are proud to be an accredited Arts Council ArtsAward Centre. We have developed an Arts Charter that guarantees for every child that each term they will :

- Participate in an artform
- Be part of an arts event
- Research and investigate artists
- Share their arts with others

Across the year pupils explore the range of art forms; dance, music, drama and visual art. Art Week enables all pupils to focus in depth on the visual arts. Pupils in Years 6 develop Arts award portfolios that are then submitted to Trinity College London for accreditation towards their Bronze Arts Award qualification.

Unicorn Collaborate Partnership

Woodcroft was honoured to be chosen as the Unicorn Theatre **Collaborate** partner primary school for the 2015-2016. This partnership ensured every pupil from Nursery to Year 6 attended 2 professional performances at this prestigious children's theatre.

We also enjoyed a 6 week residency with award winning performance artist Greg Sinclair in the autumn term.

The Railway Children - Theatre Production

As part of our Literacy Week this term, on Tuesday 1st March, we were joined by M&M Productions, collected our tickets to Oakworth Station, and enjoyed a fantastic theatrical performance of The Railway Children.

We watched how the three children saved a train after a disastrous landslide, helped nurse their mother back to health, then saved their father from a terrible injustice and reunited their family for an emotional ending.

After the show the actors also gave a special stagecraft workshop to Y6.

AIM@Dance

Professional Dance Choreography

Dance continues to go from strength to strength at Woodcroft. During the year every class benefits from a unit of dance lead by a professional choreographer. This is with Lemon Jelly in Foundation Stage and Year 1, or with our very own Miss Williams throughout Years 2 to 6. This enables dance to become an integral part of our creative curriculum topics.

J Rock Dance Club Achieve National Success!

Our J Rocker dancers have had a successful term and have made it through to two national dance finals - what an Achievement!

They will be travelling to Portsmouth for the J Rock finals and then to Birmingham for The Great Big Dance Off!

Fundraising has already begun. Last week Friends of Woodcroft raised an amazing £565 through the raffle and cake sale - well done.

Mega Movers: Mega Movers is a dance club run by Miss Stubbings every Thursday for dancers of all abilities. The aim is for the children to have lots of fun learning new moves, improving their coordination and being able to dance to a beat. We hope to have a growing amount of boys taking part and really look forward to our upcoming performances!

Lemon Jelly: Lemon Jelly is a specialist dance company who work with 12 of our children to help them develop their confidence and coordination. After their amazing first performance in the Autumn term we look forward to their next one!

AIM@Music

Samba Residency

Woodcroft's musical year has started off with a bang! Some of our KS2 classes had the incredible opportunity to work with renowned percussionist Ollie Tunmer from 'Beat Goes On' on a four week Brazilian Samba drumming residency as part of their PSHE curriculum, learning about Olympic Values through music, as 2016 is year of the Rio Games.

Combined Orchestras

Woodcroft and Frith Manor Orchestras joined together on Friday 4th March to take part in a special collaborative string concert.

Last year Woodcroft visited Frith Manor to play, and last week it was their turn to visit Woodcroft. Both schools performed an accomplished set including joint pieces involving musicians from both schools.

Y3 Ukulele Performance

Our amazing singers, dancers, magicians, gymnasts, cheerleaders and comedienne took to the stage to perform acts developed and rehearsed by the pupils themselves. We were incredibly lucky to have the judging talents of none other than Jessie J, Taylor Swift and Simon Cowell (well that's who they introduced themselves as?!) to help us pick our KS1 and KS2 winners on the evening. Well done to all our finalists and a huge congratulations to our KS1 winner: Subrina (2W)
