Message from the Chair of Governors

On behalf of the Staff and Governing Body I would like to wish everyone a very Merry Christmas and a happy and successful New Year.

Liz Court (Chair of Governors)

A Sad Goodbye

We are saying goodbye to Mrs Shamash today as she leaves to start a new job after the Christmas break. Mrs Shamash has been a teaching assistant at Woodcroft for 6 years and has supported many pupils throughout the school. We thank her for all of her hard work at Woodcroft and wish her well in her new job

Woodcroft v Goldbeaters: Football Match Report by Aisha, 6M
On Thursday 7th December, seven girls from Girls Football Club played a match at Burnt Oak Leisure Centre. The team included me, Lilly, Kleya, Erza, Michaela, Gemma and Yomade. I played in defence with Michaela and Gemma, while Erza and Lilly played in midfield, Kleya played striker and Yomade was in goal. Goldbeaters scored the first goal and we were a bit devastated - luckily, Erza and Lilly both quickly scored goals and put us in the lead. It was half-time and we were winning 2-1. Both teams took a rest and spoke with their team about strategies to use in the game. In the second half, no-one scored any goals and we were just defending with everything. At the end of the match we had managed to hold on to win 2-1 against Goldbeaters and everyone cheered for us. We were also so delighted to see that all of our friends had come to watch us play!

Science Challenge - Can you make water walk?

Miss Stubbings and the Science Council are setting a prize science challenge over the Christmas break. You will need: water, glass cups, paper kitchen towels and food colouring. Copies of the challenge poster can be downloaded from the news section of our website. For tips on this experiment search 'Walking Water' on Youtube.

To enter, send a photo or video of your experiment to Miss Stubbings by Friday the 6th January, 2018.

Prizes will be given out on the 13th January 2018. Good luck!

(Well done Gayathri for spotting the date mistake in last week's Newsletter)

New Course For Parents at Woodcroft who are not working on Wednesday (PLEASE NOTE CHANGE OF DAY TO WEDNESDAY)

Woodcroft will be hosting a fantastic new FREE course for parents starting in January. It will be provided by Barnet's Family Resilience Team every Wednesday morning for 10 weeks. Creche facilities will also be available at no cost. If you are not working on Wednesdays and are free to attend please sign up or express an interest. For more information enquire at the school office or speak with Ms Anna if you use the Foundation Stage entrance.

FAMILY LINKS (10 weeks starting Wednesday January 17th 2018)

For parents of children aged 2-11 years. The focus is on looking after yourself as a parent and to help understand your own and your child's emotional needs. The purpose is to help good communication within the family. Areas covered: family rules, behaviour management, understanding and managing feelings, nurturing ourselves, child development and problem solving.

Refreshments are provided and certificates will be awarded at the end of the course.

PARTY FOOD GUIDANCE

At the end of term pupils will be celebrating with their annual Christmas Class Parties. This is a time for some festive fun and games. Food is an important part of any celebration, and families traditionally send in a plate of food for sharing. **We would like this tradition to continue at Woodcroft.** However, in school we have a number of important things to consider. These include children with allergies, vegetarian and religious diets, safe food preparation, government healthy eating guidance and the school food policy. *If only life was simple!* We do have a number of pupils with **severe nut allergies** currently in school, so we have to take these considerations very seriously.

Please note: If you DO NOT wish your child to participate in the food aspect of the class party please let your class teacher know in writing. We recommend that parents who withdraw their child from sharing food at parties send in a separately labelled lunch box with party food items for their child. These individual party box items must still follow the checklist below:

Party food checklist:

- Only provide items that DO NOT contain nuts – Woodcroft is a NUT FREE school
- No chocolate or chocolate products e.g. chocolate cakes and spreads
- No fizzy drinks
- Fruit juices with no added sugar
- Only pre-packed cakes and biscuits that come with ingredient lists (*So that means **no** home baked cakes even though they are the best!*)
- No cakes or items that require cutting in school

Suggested party food:

- Sausage Rolls or Veggie Sausage Rolls
- Sausages / veggie sausages
- Samosas / spring rolls (*veggie is best then everyone can share*)
- Pizza
- Sandwiches (various fillings) – no nut or chocolate spreads
- Crisps and Popcorn
- Cherry tomatoes / mini cucumbers / pre-packed carrot sticks
- Small fruits (satsumas, small bananas, etc)
- Non chocolate biscuits or individual cakes (in packaging with an ingredients label)

We understand the difficulties; however schools have got to consider the wellbeing of every individual. Thank you for your understanding and support on this matter.

Reminder about Birthday Bags and Treats – Please do not send in cakes and sweets for birthdays

Because of severe food allergies and individual dietary requirements we need to closely monitor all food in school. Unfortunately, this poses a problem when birthday treats and goody bags are brought in – often late in the day! For class parties staff specially set aside time to monitor the food sent in. However, this cannot be maintained or guaranteed on a daily basis in a busy classroom.

We therefore ask parents **NOT to send in sweets and cakes as birthday treats.** We realise that this can be frustrating, however please understand that teachers are responsible for the health of all of the 30 children in their class!
