

## **Woodcroft Primary School** **Draft SEND Information Report 2018**

Date of publication: To be published **September 2018**

### **Introduction**

This SEND Information Report is part of the Local Offer for learners with Special Educational Needs and Disability (SEND). All governing bodies of maintained schools have a legal duty to publish information on their website, and updated annually or sooner if required, about the implementation of the governing body's policy for pupils with SEND.

The information required is set out in the in the SEND regulations which can be found [here](#).

### **Our Approach to Teaching Learners with SEND**

At Woodcroft Primary School we believe in participation for all. We want all adults and children to participate in learning and we celebrate all members of our community. We want to create an inclusive culture in our school and we aim to be more responsive to the diversity of children's backgrounds, interests, experience, knowledge and skills.

We value high quality teaching for all learners and actively monitor teaching and learning in the school.

Our school improvement plan is about developing learning for all and details are planned continued professional development (CPD) opportunities for all staff. Our [School Improvement Plan can be found here](#).

We aim to create a learning environment which is flexible enough to meet the needs of all members of our school community. We monitor progress of all learners, and staff continually assess ensuring that learning is taking place. Our whole school system for monitoring progress includes regular pupil progress meetings, and staff engage in coaching and supervision.

### **Our Ethos**

#### ***'Together Towards Success'***

***Together*** we aim for all pupils, parents/carers and staff, to increase their participation within our school. This is achieved through the development of inclusive cultures, policies and practices that take account of disability, race and gender to create a secure and accepting, community where everyone feels valued.

***Towards*** an outstanding school with a balanced curriculum that inspires all pupils through enriching and creative learning experience. We respond to the diversity of need through our commitment to equality; overcoming potential barriers and setting appropriate learning challenges.

***Success*** is expected for every pupil. They should aspire to achieve their dreams, recognising personal strengths while celebrating the achievements of others; both within the school and its wider community.

## **How we identify SEND**

At different times in their school career, a child or young person may have a special educational need. The Code of Practice defines SEND as:

**“A child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them. A child of compulsory school age or a young person has a learning difficulty or disability if they:**

- (a) have a significantly greater difficulty in learning than the majority of others of the same age: or**
- (b) (b) have a disability which prevents or hinders them from making use of educational facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions.”**

If a learner is identified as having SEND, we will provide provision that is ‘additional to or different from’ the normal differentiated curriculum, intended to overcome the barrier to their learning.

Learners can fall behind in school for lots of reasons. They may have been absent from school, they may have attended lots of different schools and not had a consistent opportunity to learn. They may not speak English very well or at all, they may be worried about different things that distract them from learning. At Woodcroft Primary School we are committed to ensuring that all learners have access to learning opportunities, and for those who are at risk of not learning, we will intervene. This does not mean that all vulnerable learners have SEND. Only those with a learning difficulty that requires special educational provision will be identified as having SEND.

Our 2017 SEND profile shows that we have  
61 pupils (13.8%) identified as having SEND,  
7 pupils (1.6%) have an Education Health and Care Plan or Statement

74% of SEND pupils are identified as having SEN linked to Cognition and Learning  
32% linked to Communication and Interaction  
18% linked to Physical and Sensory  
28% linked to Social, Emotional and Mental Health

*Please note: The above percentages will not total 100% as pupils with complex needs may be identified in more than one area.*

## **Assessing SEND at Woodcroft Primary School**

Class Teachers, support staff, parents/carers and the learner themselves will be the first to notice a difficulty with learning. At Woodcroft Primary School we ensure that assessment of educational needs, directly involves the learner, their parents/carer and of course their Teacher. The Special Educational Needs Co-ordinator (SENCO) will also support with the identification of barriers to learning.

We use a range of assessment tools that currently include:

SEND Information Report for Woodcroft Primary School 2018

The Dyslexia Portfolio  
 The Boxall Profile  
 The York Assessment for Reading and Comprehension (YARC)  
 Cognitive Attainment Testing (CAT)  
 British Picture Vocabulary Scale (BPVS)  
 Non-Verbal Reasoning (NVR)

For some learners we may want to seek advice from specialist teams. In our school we have access to various specialist services. We have access to services universally provided by Barnet Council, which are described on the Local Offer website available [here](#).

At Woodcroft Primary School have also commissioned support from:

Educational Psychologist – 20 sessions a year  
 Speech Therapist – 6 sessions per term  
 Counsellor (Provided by Rephael House) – 1 day per week  
 SEN Consultant (SEN Assessment and Analysis) – as required  
 Barnet Primary Project (Provided by CAMHS) – as required  
 Family Support Worker – 1 day per week

(1 session = 3 hours)

We also have 567 hours of funded Learning Assistant Support to deliver interventions co-ordinated by our SENCO.

### **What we do to Support Learners with SEND at Woodcroft Primary School**

Every Teacher is required to adapt the curriculum to ensure access to learning for all children in their class. The Teacher Standards 2012 detail the expectations on all teachers, and we at Woodcroft Primary are proud of our Teachers and their development.

[The Teacher standards are available here.](#)

Our Teachers will use various strategies to adapt access to the curriculum. These are outlined here as [Normally Available Classroom Strategies](#)

Each learner identified as having SEND, is entitled to support that is 'additional to or different from' a normal differentiated curriculum. The type of support is dependent on the individual learning needs, and is intended to enable access to learning and overcome the barrier to learning identified. This support is described on our **Intervention Menu**, which although does not detail the individual learner names, describes the interventions and actions that we undertake at Woodcroft Primary school to support learners with SEND across the year groups. We modify the Intervention Menu regularly, and it changes every year, as our learners and their needs change. [The Intervention Menu is available here.](#)

Our Intervention Provision is shared with Governors who are able to ensure that we monitor the impact of these interventions on learning across the school.

## **Funding for SEND**

Woodcroft Primary school receives funding directly to the school from the Local Authority to support the needs of learners with SEND.

The amount of funding we currently receive for SEND in 2018-19 is **£139,305** (This is the Notional SEND Funding and is based on a percentage of AWPU (basic pupil place funding), free school meals, school Income Deprivation Affecting Children Index (IDACI), mobility factors and EAL (English as an Additional Language)).

The latest allocations and further information on school funding and finance in Barnet maintained schools can be found at:

### **[Barnet: School Funding and Finance](https://www.barnet.gov.uk/wwc-home/information-for-schools/school-funding-and-finance)**

**<https://www.barnet.gov.uk/wwc-home/information-for-schools/school-funding-and-finance>**

### **How do we Find Out if this Support is Effective?**

Monitoring progress is an integral part of teaching and leadership within Woodcroft Primary school. Parents/carers, pupils and staff are involved in reviewing the impact of interventions for learners with SEND.

We follow the 'assess, plan, do, review' model and ensure that parents/carers and children are involved in each step. Before any additional provision is selected to help a child, the SENCO, Teacher, parent/carer and learner, agree what they expect to be different following this intervention. A baseline will also be recorded, which can be used to compare the impact of the provision.

Children, Parents/carers and their Teaching and Support Staff will be directly involved in reviewing progress. This review can be built in to the intervention itself, or it can be a formal meeting held at least once a term, where we all discuss progress and next steps. If a learner has an Education Health and Care Plan (EHC plan,) the same termly review conversations take place, but the EHC plan will also be formally reviewed annually.

The SENCO collates the impact data of interventions, to ensure that we are only using interventions that work.

Progress data of all learners is collated by the whole school and monitored by Teachers, Senior Leaders and Governors. We also moderate our data with local schools to ensure that our judgements stand up to scrutiny. Our school data is also monitored by the Local Authority and Ofsted.

### **Other Opportunities for Learning**

All learners should have the same opportunity to access extra curricular activities. At Woodcroft Primary school we are offering a range of additional clubs and activities. These can be found on our web page. **[Current clubs available are outlined here.](#)**

We are committed to making reasonable adjustments to ensure participation for all, so please contact the Headteacher to discuss specific requirements.

All staff at Woodcroft Primary school have regular training on the Equality Act 2010. This legislation places specific duties on schools, settings and providers including the duty not to discriminate, harass or victimise a child or adult linked to a protected characteristic defined in the Equality Act and to make 'reasonable adjustments.'

The Equality Act 2010 definition of disability is:

**“A person has a disability for the purposes of this Act if (s)he has a physical or mental impairment which has a substantial and long-term adverse effect on his ability to carry out normal day-to day activities.”**

Section 1(1) Disability Discrimination Act 1995

This definition of disability in the Equality Act includes children with long term health conditions such as asthma, diabetes, epilepsy, and cancer. Children and young people with such conditions do not necessarily have SEND, but there is a significant overlap between disabled children and young people and those with SEND. Children and young people may therefore be covered by both SEND and disability legislation.

For more information about the Equality Act, the protected characteristics or duties on public bodies, please review our school Equality Policy - [please click here.](#)

### **Preparing for the next step**

Transition is a part of life for all learners. This can be transition to a new class in school, having a new teacher, or moving on to another school, training provider or moving in to employment. Woodcroft Primary School is committed to working in partnership with children, families and other providers to ensure positive transitions occur.

Planning for transition is a part of our provision for all learners with SEND. Moving classes will be discussed with you and your child at their summer term review meeting. Transition to secondary schools will be discussed in the summer term of their Year 5, to ensure time for planning and preparation.

### **Have your say**

Woodcroft Primary School is your community school. We can shape and develop provision for all of our learners ensuring achievement for all. This SEND report declares our annual offer to learners with SEND, but to be effective it needs the views of all parents/carers, learners, governors and staff. So please engage with our annual process to 'assess plan, do and review' provision for SEND.

This local offer has been produced with pupils, parents/carers, governors, and members of staff. We would welcome your feedback and future involvement in the review of our offer.

The best people to contact are:

Liz Court - Chair of Governor

Mandy Morrison - SEND Parent Governor  
 Kay Vanner - Assistant Head/ SENDCO  
 Craig Tallon - Headteacher  
 Sue Bennett – Educational Psychologist for Woodcroft  
 Jill Smith – Family Support Worker for Woodcroft

The above people can be contacted via the Woodcroft Office:

Email: [office@woodcroft.barnetmail.net](mailto:office@woodcroft.barnetmail.net)

Tel: 02089593244

Letter: please indicate the intended recipient

If you have specific questions about the [Barnet Local Offer](#)

Contact:

SEN performance team

North London Business Park (NLBP), Oakleigh Road South, London N11 1NP

Tel: 020 8359 2000

Email: [SENDLocalOffer@barnet.gov.uk](mailto:SENDLocalOffer@barnet.gov.uk)

Alternatively, if you think your child may have SEND please speak to your child's Class Teacher or contact Kay Vanner on 02089593244.

### **Complaints**

If you are not satisfied with the SEND provision at Woodcroft please follow the complaints procedure as set out on page 13 of the Woodcroft School Brochure.
