Autumn Music Concerts

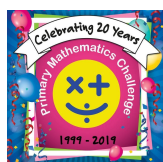

The Woodcroft musicians have had a busy two weeks showcasing their talents in a series of concerts. We started with our string musicians on Thursday 21st who performed a rich programme of music which displayed the incredible progress all our cellists and violinists have made this term. On Monday we moved onto our Year 3s who learn ukulele as a whole class. After only nine lessons they performed 3 chords and eight songs with passion and confidence! Our concerts for this term were brought to a close by our incredible brass and woodwind musicians who performed on Friday morning. Congratulations to all our young musicians for all their hard work this term, and thank you to our fantastic tutors from BEAT (Barnet Education Arts Trust) for all their efforts in supporting Woodcroft music.

Primary Maths Challenge Results

The results of the Primary Maths Challenge are in! A huge well done to all the pupils who took part in the challenge - you really persevered and took the challenge seriously. Every Woodcroft pupil managed to solve some of these extra tricky problems and your positive attitudes made the morning so enjoyable. The final placings are as follows:

Bronze awards: Maya, Olivier and Dalo (Year 5) & Said and Dawid (Year 6)

Silver awards: Yash and Ethan (Year 6)

Gold awards: Felix and Luqman (Year 6)

We have also received the exciting news that Felix and Luqman's top scores have qualified them both for the PMC National Finals in February 2020!

This is a real achievement; last year over 67,000 of the nations top primary school mathematicians took part in the challenge, but only 3% qualified! A huge congratulations to the boys, we wish you luck for February... get practising!
