Get Cooking: They will also be providing simple recipes for you to use these ingredients along with other items to create some tasty lunches!

What you need to do next: Contact the school by phone or email by 9.00am tomorrow morning (Thursday 25th March) to request a parcel. This is the deadline for ISS to order supplies ready for collection next week. (Collection day to be confirmed)

Collect and Cook: We will then contact all families who have booked a free food parcel to arrange a collection day and time. Then you can cook some tasty lunches at home.

Daily Packed Lunches: If you would prefer to collect a daily packed lunch bag, instead of a weekly food parcel, you are able to do so.
