

Dear

Pupil

As of the 1st September, we will no longer be using squid for online payments and instead have secured an improved service and provider in ParentPay. We now need to ask all parents to use ParentPay as the main method to pay for **dinner money** . This can be done online using a very secure website called ParentPay.

Already have a ParentPay account?

If you already have a ParentPay account, either with our school or another ParentPay school, you can simply login to that account and add your other children via the **Add a child** tab on your home page. You will need the below activation username and password to do this.

New to ParentPay?

You have a secure online account, activated using a unique activation username and password; you will be prompted to change these and to keep them safe and secure as your Username and Password for future logins. If you have two or more children at a ParentPay school, you only need to activate one account to create your 'main account' and then add your other children via the **Add a child tab** on your home page.

Please visit www.parentpay.com and activate your account via the **Account login** area on the home page of the site.

Username:

Password:

ParentPay holds an electronic record of your payments to view at a later date. Once you have activated your account you can make online payments straight away. Any balances from your sQuid account, positive or negative will be transferred to your new ParentPay account. Those parents wishing to pay cash can still do so.

Please do not hesitate to contact the catering team if you need assistance. We are available on 01724 297910 or schools.catering@northlincs.gov.uk. Your support in using ParentPay is appreciated.

Yours sincerely
The Catering Team
