

Keelman's Way School

Sports Premium Grant

2015-16

The Strategic Leadership Team maintains an overview of the provision for vulnerable pupils and of the progress they are making. The Head teacher feeds back to Governors

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means premium should be used to:

- develop or add to the PE and sport activities that school already offers
- make improvements now that will benefit pupils joining the school in future years

The Head Teacher's Termly Report includes information on:

- The range of interventions used and the impact of those
- The cost effectiveness of the provision made ("value for money").
