

## **Governors Statement 2015-16**

Governors have dealt with many of the general issues that impact on school as well as their core role.

The governing body is made up of a variety of different groups.

- **Parent governors** – elected by and from among parents of registered pupils at the school.
- **Local authority (LA) governors** – appointed by the LA.
- **Community governors** – appointed by members of the Governing Body who are not themselves co-opted, they are intended to be representatives of the local community and may add particular kinds of expertise.
- **Staff governors** – people who work in school and are elected by their colleagues. There are two different types, teaching and non-teaching staff governors.

### **What we do:**

The governors meet at least once every term, as a full governing body, to discuss the running of the school. This would include looking at:

- The school's budget and various policies e.g. behaviour, sex and relationship education.
- Performance management.
- The overall ethos and direction of the school.
- Long-term planning.
- Target setting for pupils.
- Staffing structures.
