

# **Behaviour Policy**

Updated October 2018

This policy statement is not to be read in isolation, but in conjunction with other college policies (with particular reference to SEN, bullying, equality information and objectives, drugs alcohol and substance abuse and safeguarding policies) and the latest DfE advice 'Behaviour and Discipline in Schools: Advice for Headteachers and school staff' – January 2016

This behaviour policy acknowledges the college's legal duties under the Equality Act 2010 in respect of safeguarding and in respect of pupils with special educational needs (SEN).

This policy applies to all aspects of college life: inside the classroom, on college grounds, travelling to and from college, wearing college uniform (or in some other way identifiable as a pupil at the college), as well as when pupils are undertaking an educational visit off-site or college related activity.

If these conditions do not apply and if misbehaviour could have repercussions for the orderly running of the college or poses a threat to another pupil or member of the public or could adversely affect the reputation of the college, then the behaviour policy can still apply.

## **Behaviour Management Policy**

The Governing Board and staff at Denton Community College seek to create an environment, which encourages and reinforces good behaviour. Furthermore, we acknowledge that society expects good behaviour as an important outcome of the educational process.

We believe that a positive working relationship with parents and carers is fundamental to ensuring the best quality education for our young people

### **We aim to:**

1. Create an environment, which encourages and reinforces good behaviour
2. Promote self-discipline and positive relationships
3. Ensure that the College's expectations and strategies are widely known and understood
4. Encourage the involvement of both home and College in the implementation of this policy

### **Setting the context of the Behaviour Policy**

Denton Community College staff and the Governing Body have an important responsibility to model high standards of behaviour, both in their dealings with the students and with each other as their example has an important influence on students. We believe that as adults we should aim to:

1. Create a positive climate with realistic expectations
2. Emphasise the importance of being valued as an individual within the group
3. Promote through example; honesty, tolerance and courtesy
4. Provide a supportive, inclusive, caring and effective learning environment
5. Encourage relationships based on kindness, respect and understanding of the needs of others
6. Ensure fair treatment for all regardless of age, gender, race, ability and disability
7. Value the rights and property of each individual through the promotion of honesty and respect
8. Reject bullying and dishonesty and encourage the development of co-operation, self-discipline and responsibility
9. Encourage development of self-respect and maturity, enabling growth towards becoming worthy citizens by promoting moral and social values
10. Show appreciation of the efforts and contribution of all

### **The Curriculum and Learning**

Denton Community College believes that an appropriately structured curriculum and effective learning contribute to good behaviour. Thorough planning for the needs of individual students, the active involvement of students in their own learning and structured feedback all help to avoid the alienation and disaffection which can lie at the root of poor behaviour.

It follows that lessons should have clear objectives, understood by the students, and differentiated to meet the needs of students of different abilities. Marking and record keeping can be used both as a supportive activity, providing feedback to the students on their progress and achievements, and as a signal that their efforts are valued and that progress matters.

### **Classroom Management**

Classroom management and teaching methods have an important influence on students' behaviour. The classroom environment gives clear messages to the students about the extent to which they and their efforts are valued.

Relationships between teacher and student, strategies for encouraging good behaviour, arrangements of furniture all have a bearing on the way the students behave. Overall the classroom should provide a welcoming environment.

Teaching methods should encourage enthusiasm and active participation for all. Lessons should aim to develop the skills, knowledge and understanding, which will enable the students to work in co-operation with others. Praise should be used to encourage good behaviour as well as good work.

### **Rewards & Recognition**

Emphasis should be on rewards and recognition to reinforce good behaviour. Rewards and recognition have a motivational role, helping students to see that good behaviour is valued. The commonest reward is praise, informal and formal, public and private, to individuals and groups. Praise can be earned by the maintenance of good standards as well as particularly noteworthy achievements. Students can be rewarded in the following ways:

- Verbal praise, in a variety of contexts (e.g. on an individual basis or during class)
- Collective or individual praise in assemblies (e.g. good behaviour during an off-site College visit)
- The earning/obtaining of Go4schools points for good work and academic achievement with points accruing which enable students to earn badges and certificates
- Written, verbal or telephone communication with home, praising high standards of behaviour
- End of term trips
- 'Postcards of Praise' sent home if students have worked particularly hard
- Assembly prizes
- Friday Rewards with the Headteacher

### **Sanctions**

Although rewards are central to the encouragement of good behaviour, realistically there is a strong need for sanctions to register the disapproval of unacceptable behaviour and to protect the security and stability of the College community.

#### **The use of sanctions will be characterised by two features:**

- It must be clear why the sanction is being applied.
- It must be made clear what changes in behaviour are required to avoid future punishments.

#### **Sanctions may include the following:**

- Expressions of disapproval
- Withdrawal of privileges
- Detentions; break-time, lunch-time or after-school
- Referral to Form Tutor, Assistant Head of Year, Head of Year, SLT Year Group Link, Deputy Headteacher or Headteacher
- Letter or phone call to parents/carers
- Placing on a Behaviour Report Card:

**Level 1:** Form Tutor, **Level 2:** Assistant Head of Year, **Level 3:** Head of Year, **Level 4:** SLT Year Group Link, **Level 5:** Deputy Headteacher/ Headteacher

- Internal seclusion with a member of staff for a day
- Internal seclusion in the College's Learning Support Unit
- Exclusion from the College to another school for a day or more
- Exclusion from the College (Headteacher decision only)
- Referral to the School's Governing Body

Where antisocial, disruptive or aggressive behaviour is frequent and recurs and these sanctions have not brought about any improvement, it may be necessary to refer students to other agencies (i.e. Early help/ Educational Psychologist) to receive specialist help.

All staff follow the formal Behaviour Management procedure when dealing with misbehaviour around the School and in lessons.

### **Searching Students:**

There may be occasions where it is deemed necessary for staff to search students.

Staff may conduct a search for the following prohibited items:

- Knives and weapons
- Alcohol
- Illegal drugs
- Stolen items
- Tobacco and cigarette papers
- Fireworks
- Pornographic images
- Any article that has been or is likely to be used to commit an offence, cause personal injury or damage to property

### **Communication with Parent(s) / Carer(s)**

Denton Community College gives high priority to clear communication and to a positive partnership with parents and carers, since these are crucial in promoting and maintaining high standards of behaviour.

Where the behaviour of a student is giving cause for concern it is important that all those working with that student in the College are aware of those concerns, and of the steps, which are being taken in response. The key staff in this process are the Form Tutor who has the initial responsibility for the student's welfare along with the Head of Year, Assistant Head of Year and SLT Year Group link.

### **Links with the Community**

Denton Community College aims to instil a sense of citizenship, community, and belonging within all of its students, and as such gives a high priority to the way that its students conduct themselves within the local neighbourhood. The aim is that students behave in a way that will make people glad that Denton Community College is part of their community.

A student who has been absent must bring a note stating the dates and cause of absence. If leave of absence is desired for some special reason, permission must be asked from the Headteacher/Attendance Manager in advance.

At Denton Community College we recognise that mobile phones are part of everyday life for many children and that they can play an important role in helping pupils to feel safe and secure. We also recognise that mobile phones can be a fantastic tool for learning when students are properly educated and directed in their use. Mobile phones can however be a distraction in school and can provide a means of bullying or intimidating others. Therefore:

- Mobile phones must not be visible in classrooms or on corridors outside of break and dinner time unless directed by the teacher.
- Headphones must not be visible in classrooms or on corridors outside of break and dinner times and will not be directed in their use by teachers.
- If mobile phones and headphones are seen being used without permission students will be warned and asked to place these items in their bags.
- If a mobile phone or headphones remain visible then the item will be confiscated by the member of staff.
- Failure to hand over a confiscated mobile phone or headphones will be viewed as defiance and will be sanctioned in accordance with the College's behaviour policy.

There is no reason for any student to have their mobile phone or headphones confiscated if compliant with the College's systems and procedures. To ensure this is the case I advise mobile phones remain in school bags between 8.40am and 2.50pm. Confiscated phones and headphones will only be returned to parents or carers from our main reception after 3.30pm. External communications via mobile phone from home can be a distraction for students, we therefore ask that any messages be sent through our main reception on 0161 336 2219.

PLEASE NOTE: The Headteacher may decide to include other reasonable rules which enforce good order within the College learning environment.

## The Behaviour Management Process

### Behaviour Referral Routes – The C1, C2, C3 and C4 System

Denton Community College uses a **Chance, Choice, Consequence System** to keep track of behaviour incidents. Behaviour points can be issued inside or outside the classroom and details of all C3 and C4 incidents are stored on student records on the school computer system. The C3 and C4 Behaviour Referrals are a written report of the incident which become part of the student's school record on Go4Schools. Each behaviour referral is awarded a number of Behaviour Points which go towards a students' total in the college positive/ negative behaviour point system and will affect their overall total points score.

Behaviour Referral	Action	Referred To	Consequence
<b>C1</b> Verbal warning to student.	Recorded on the board (initials)		
<b>C2</b> Final verbal warning issued to student	Tick next to initials on board		
<b>C3</b> Logged on Go4Schools	15 minute detention issued	With class teacher	15 minute detention issued on the same day (break, lunch or after school).
<b>C3</b> (15 minute detention not attended). Logged on Go4Schools	60 minute detention issued	With class teacher/faculty	60 minute detention the next day after school. (An advisory text will be sent home).
<b>C3</b> (60 minute detention not attended)	60 minute detention re-issued	With class teacher/faculty	60 minute detention the next day after school. (An advisory text will be sent home).
<b>C3</b> (60 minute detention not attended for final time)	Day secluded with staff issued followed by 60 minute detention	With Head of Subject or other member of staff	Day secluded with Head of Subject or other member of staff. Loss of social time that day. Original 60 minute detention will then be completed at the end of the day. (An advisory text will be sent home).
<b>C4</b> Possible removal from lesson/ social time	Referral to HoY/SLT Year Group Link, Deputy Headteacher or Heateacher for sanction to be issued	Referral to HoY/SLT Year Group Link, Deputy Headteacher or Headteacher	Possible sanctions include: Day in College Learning Support Unit (including loss of social time), possible exclusion to another school for one or more days, possible fixed term exclusion.

### Behaviour Referral Routes – The C1, C2, C3 and C4 System

C1 and C2 incidents which usually occur in the classroom are not recorded. C3/C4 incidents which are usually more serious are logged on Go4Schools and are dealt with, whether it be by the Class Teacher or by another staff member.

## **Tracking Behaviour Referrals**

Where there is further concern about behaviour and a child has accumulated numbers of behaviour referrals, further action needs to be put in place to ensure that their behaviour is being monitored and that it does not become worse and will hopefully improve.

Numbers of behaviour referrals will be tracked by the Head of Year weekly and per term for each particular year group and the following thresholds are usually set:

### **50 Behaviour Points**

- Form Tutor Report

### **150 Behaviour Points**

- Assistant Head of Year Report

### **250 behaviour Points**

-Head of Year Report

Students may also be placed on SLT (Senior Leadership Team) Report at any time, if their behaviour is considered to be a serious concern.

Students are placed on report to enable close monitoring of their behaviour during lessons. Student specific targets are set and teaching staff are asked to record whether these targets have been met during the lesson. The report must then be shown to the member of staff the student is reporting to at the end of every day. Failure to do so will result in a 60 minute detention.

If a student is placed on report, parents/carers will be informed and will be asked to read and sign the report each day.

Failure to improve on report may result in a higher level of report or further sanctions being issued.

## **Management by Walkabout (MBWA)**

The 'MBWA' system is used for disruption where a student has to be removed from the classroom because he/she is preventing the class from learning, or the teacher from teaching. Examples of this may be: refusal to move seat when asked, constant disruption, confrontation, assault on another student, abusive language to students or staff and other C3/C4 type behaviours (see earlier). Students who have been removed from lessons are usually 'buddied' to work in another classroom for the remainder of that particular lesson. This could be with the Head of Subject, or another member of staff.

A 60 minute detention is issued to the student as a consequence to being 'buddied'. The 'MBWA' is logged as a record of the student causing disruption to the learning of others by being removed from the lesson.

A report is run weekly for the numbers of students who have required 'MBWA' and letters are sent home to parents/carers to inform them that their child has been removed from lesson(s) due to disruption. The system is monitored by the Deputy Head in charge of behaviour and students who are persistently removed from lessons due to disruption will be dealt with additionally.

## **Addressing Poor Behaviour for Learning**

### **Detentions:**

Lunchtime and after school detentions can be issued as and when appropriate and may be class teacher, department-based, pastoral-based or whole school.

### **Lunchtime Detentions:**

#### **These will be issued automatically for:**

- C3 incidences, lack of equipment and poor punctuality
- Parents are not necessarily informed when their child has been issued with a lunchtime detention.
- They are 15 minutes in duration

- Students still have time to get some lunch after the detention

### **C3 60 Minute After School Detentions - from 2:50pm to 3.50pm**

Each teacher or member of staff administers their own detentions. This enables a conversation to take place between the student and teacher to address and resolve the problem. Parents will be given notice in the form of a text message.

Students are expected to take responsibility and attend their detention themselves. If they fail to attend, the following day they will receive a reminder in the form of a detention slip or a member of staff collecting them from their period 5 lesson and escorting them to their detention.

### **Seclusion (Internal Exclusion):**

This is a facility introduced to minimise exclusions where students will work in isolation for the period determined. Students will complete work set during the course of the day and will also spend their social times in this area. (Grab bags may be ordered for lunch for those who would normally purchase food from the canteen).

A period in seclusion may be issued for: smoking, truanting, bullying, bringing the school into disrepute, persistent defiance etc.

### **Key Areas**

Denton Community College is aware that there are several key areas that must underpin the College Behaviour Management Policy and will always seek to create an environment which encourages and reinforces good behaviour both during and as an outcome of the educational process.

#### **1) A Whole School Policy on Anti-Bullying**

Denton Community College has an Anti-bullying Policy, which is regularly reviewed. This provides guidance and advice for students, parent(s)/carer(s), staff and governors. The strategies adopted attempt to create an ethos in the College, which does not tolerate the oppression of one person by another, in other words bullying. The review process centres around the views and opinions of the student body.

#### **2) The Pastoral System of Heads of Year and Form Tutors**

This plays an extremely important role in dealing with issues such as bullying, liaising with subject faculties when students face behavioural problems, which effect work and motivation. Especially important however, are the positive links made with parent(s)/carer(s) who are contacted and consulted as soon as possible.

#### **3) Support Staff**

Admin Staff, Teaching Assistants, Technicians, Kitchen Staff and Site Staff all regularly meet students and need to deal with a wide variety of student behaviour. It is vital that all adults working at Denton Community College support each other and share the same values about student behaviour. Liaison and consultation between teaching and support staff can only help create an orderly, supportive atmosphere for all students.

#### **4) Social Inclusion**

The primary aim of social inclusion is to support students whose circumstances make them vulnerable to underachievement. Monitoring of identifiable groups of students who may need extra support in terms of behaviour and achievement is also important in avoiding disaffection, low motivation and the poor behaviour that may result. Denton Community College has a number of strategies and projects in place to support such students.

#### **5) Special Educational Needs**

The SENCO (Special Educational Needs Co-ordinator) and her team play a pivotal role in co-ordinating and targeting support for students whose learning needs if left unmet could lead to frustration, embarrassment and poor behaviour. Denton community College respects the need for the curriculum to be accessible to every student. (Please see the College's Inclusion/SEN policy for full details).

#### **6) Primary Liaison**

The successful transfer of students from primary to secondary education provides Year 7 students with a secure and rewarding start at Denton Community College. The Head of Year 7 and Assistant Head of Year 7 manage effective transition processes within the College. All staffing areas of the School however, take part in the induction programme available to our new students (the current year 6) and their parent(s)/carer(s) each year.

### **7) Equal Opportunities**

Effective policy in this area has a significant impact on behaviour and attitudes within the College. Poor behaviour can result from a sense of real or perceived injustice. (See the equality and diversity policy for full details).

### **8) Other Aspects of School Organisation Influencing Behaviour**

- Effective Duty Teams.
- Availability of Senior and Middle Management during the School day.
- School Councils form an essential forum for student opinions on how the School can be improved.
- Provision at break and lunchtimes for bad weather.
- The promotion and development of extra-curricular and extensive enrichment activities.

### **9) The School's Relationship with External Agencies**

It is our college policy to foster, maintain and improve links with external support agencies.

Plans for children with behavioural difficulties means that external agencies are often involved in the setting up and monitoring of such plans. Looked after Children within the School have regular Statutory Social Services Reviews, which involve the Pastoral staff with responsibility for Looked After Children. In addition to these meetings, these external support services are called in at short notice by the Heads of Year and SLT as and when serious problems arise.

The Primary Trust Nurse visits the College regularly. The College is also working hard to develop and maintain stronger links with local community organisations, which aim to support students who find secondary education difficult.

### **10) Review**

This policy and procedure will be reviewed when there are changes in the law, or in accordance with the schedule drawn up by the Headteacher and agreed by the Governing Body and Local Authority.

**Review Date:** Oct 2019
