

	Year 7	Year 8	Year 9	Year 10	Year 11
Autumn 1 This could include:	Numbers and the number system Place value Order of operations Decimals Multiples, factors and primes	Numbers and the number system Place value Order of operations Standard form Estimation Multiples factors and primes	Numbers and the number system Order of operations Factors, multiples and primes Estimation Standard form	Numbers and the number system Factors, multiples and primes Estimation Standard Form Surds	Algebra Geometry Calculation
Autumn 2 This could include:	Algebra Sequences Graphs Solving equations	Algebra Sequences Graphs Solving equations Inequalities	Algebra Sequences Graphs Solving equations Inequalities	Algebra Sequences Graphs Solving equations Inequalities	Algebra Geometry Calculation Statistics
Spring 1 This could include:	Calculation Fractions Percentages Decimals Ratio	Calculation Fractions Percentages Decimals Ratio Proportionality	Calculation Fractions Percentages Decimals Ratio Proportionality	Calculation Fractions Percentages Decimals Ratio Proportionality	Geometry Statistics Calculation
Spring 2 This could include:	Geometry Properties of shapes Angles Constructions Measuring lengths and angles	Geometry Properties of shapes Angles Constructions Measuring lengths and angles Pythagoras	Geometry Properties of shapes Angles Constructions Measuring lengths and angles Pythagoras Trigonometric ratios	Geometry Properties of shapes Angles Constructions Measuring lengths and angles Pythagoras Trigonometric ratios More complex trigonometry	Consolidation, revision and exam technique
Summer 1 This will include:	Statistics Charts and graphs Statistical analysis of data Gathering data	Statistics Charts and graphs Statistical analysis of data Gathering data	Statistics Charts and graphs Statistical analysis of data Gathering data	Statistics Charts and graphs Statistical analysis of data Gathering data	Consolidation, revision and exam technique
Summer 2 This could include:	Probability The probability scale Theoretical probability Experimental probability Relative Frequency Listing outcomes	Probability The probability scale Theoretical probability Experimental probability Relative Frequency Listing outcomes Combining probabilities	Probability The probability scale Theoretical probability Experimental probability Relative Frequency Listing outcomes Combining probabilities Tree diagrams	Probability The probability scale Theoretical probability Experimental probability Relative Frequency Listing outcomes Combining probabilities Tree diagrams
