Parking

Yet again, we would ask parents/carers to park respectfully of local residents and indeed, regarding the highway code. Our Chair of Governors has recently commented on cars parked with a blatant disregard to the safety of the children and in breach of parking regulations.

Dogs on School Premises

Please note that dogs are not allowed on the school premises, even when carried or hidden in bags!

For everyone's safety, we appreciate your support on these matters.

Book Fayre

Thank you to everyone who attended our Scholastic book fayre this week.

Player of the Week

Oliver McCaffery, in Year 4, has clearly been trying really hard at his football training.

He was awarded the player of the week award for his efforts.

Well done Oliver, you should feel very proud indeed!

We took £701 in sales, which gives us a fabulous £350 to spend on books for the classrooms. The children all had the chance to check out the books on offer and we even saw some children walking home reading their new books! We hope they didn't bump into any lampposts on the way.

Keep on READING!

Achievements

If your child has achieved something special outside of school, then why not let us know about it?

A Visit from South Shields FC

On Wednesday, we had a visit from staff and players from South Shields FC. They talked to the children about the club and took questions from them about football.

All of the children will receive complimentary tickets for 1 adult and 1 child to attend their match against United of Manchester (NOT to be confused with Manchester United!!!!), on Saturday 14th March. The match is a 3pm kick off. Tickets will be handed out next week.
