Dear Parents / Carers

Important: Safeguarding / Health and Safety Reminders

Visitors Toilets

As a result of a recent safeguarding inspection, **we are no longer able to allow parents / carers in to school to use the Visitors Toilets during school time.** I apologise for any inconvenience this causes, but it is an important safeguarding procedure.

Bad Weather Days

Could I also take this opportunity to remind you that on rainy mornings, the doors will open at 8.45am. we are unable to allow children into school before this time as staff are busy preparing resources etc. for their lessons. Children can, of course, come in for 'Wake Up, Shake Up' between 8.30am – 8.40am each day.

Car Park Hazards

Finally, I have received several complaints regarding cars being parked at the school gates. Please could I remind drivers to ensure the gates are not obstructed at any time in case of emergency and please drive slowly and vigilantly in and out of the parking spaces.

I appreciate your co-operation with these important Safeguarding / Health and Safety procedures.

Yours sincerely

Mrs C. E. Askwith
Headteacher
