

**Press release  
2019 results**

Year 11 students at Heartlands High School are today celebrating a great set of results. We have seen an increase in grade 5+ overall and specifically in Geography, History and Science. Students worked really hard and we are very proud of all they have achieved. Overall Heartlands students achieved 34 grade 9s! 5 students were awarded the top grade in Maths, 18 students in English, 8 in Business Studies, 5 in Sociology and 4 in History. This grade 9, designed to sit above the traditional A\* standard places them in the top 3% of students nationally.

Our 2019 cohort will attend a range of high quality colleges, sixth forms and apprenticeships next year; we look forward to hearing of their continued success.

I would also like to thank our amazing staff who supported our students in achieving such excellent results.

**Elen Roberts**  
**Head of School**

Results Overview:

% 9-5 in English and Maths	39%
% 9-4 in English and Maths	57%
% 9-5 in English	58%
% 9-4 in English	74%
% 9-5 in Maths	44%
% 9-4 in Maths	63%
