Placement with Procter & Gamble in STEM

- This is an exciting call to your current Year 13 students who are interested in a career in science or engineering, who live in the North East and want to stay in the North East!
- First steps:
 - o YINI is an excellent platform to support students in taking their first steps before heading off to an apprenticeship, university or perhaps even permanent employment.

- Each student will receive a YINI Mentor to support them, plus support from their company line manager and the YINI team.
- These placements are based in the Newcastle Innovation Centre (NIC) and focus on developing products for Fabric and Home Care consumers.
- P&G's Year in Industry program is designed to provide an invaluable source of industrial training and experience, to ensure students can progress into rewarding careers in industry and/or academia. However, there are also opportunities for successful students to progress to a permanent role within P&G.
- P&G are therefore keen to see applications from school leavers (via the YINI Scheme) with A levels/or equivalent who would be interested in this internship as a route into a career as a researcher in P&G.
- To Apply:
 - Students must Register with the YINI scheme to be considered for these roles with P&G
 - Register for YINI here: <https://www.etrust.org.uk/yini-register>
 - Once you've registered, YINI will instruct you on the next step and help you put your CV together plus complete a short telephone interview with you.

Women in STEM: Space Plasma Physics

- The RSC Newcastle Upon Tyne and North East Coast Local Section have collaborated with the Lit & Phil, the Women's Engineering Society, Palace of Science, the Institute of Physics, the Institution of Chemical Engineers, and the Institution of Civil Engineers to organise a series of Women in STEM (science, technology, engineering and maths) lectures, talks and panels.
- The aim of these events is to celebrate the amazing work done by women in their area of STEM.
- The talks will start promptly at 6:30pm and will be followed by a networking reception.
- Other events in the series will be on the 4th Thursday of each month, January to June.
- All events are open to everyone, members and non members of any gender, and are free to attend.
- Please register in advance with the Lit and Phil.

Engineering Development Trust University Taster programme

- For year 12's (S5's) Headstart is a 4/5 day residential in-depth course with a diverse range of STEM subjects to choose from with many covering some first year undergraduate degree content.
- This is an excellent opportunity for any future undergraduate to build confidence, talk to academics and current undergraduates in order that they make well informed decisions going forward about their future higher education and possible STEM career paths.
- <https://www.etrust.org.uk/headstart-courses>
- Offers are now being considered to those already applied.
- Applications must CLOSE on Monday 23rd March for the programme

Opportunities at Oxford University

Oral History Competition

- Christ Church is offering a competition for Year 12 state school students in the North East who are interested in studying humanities or social sciences at university.
- This competition will offer students the opportunity to explore beyond the school curriculum and conduct their own research project outside of school. The project is centred on oral history, an exciting way of doing historical research that recovers experiences and perspectives that are often otherwise overlooked. Everyone has a story to tell, and this competition focuses on stories about migration.

- Applicants will be given a brief reading list and asked to conduct interviews with members of their local communities about their experiences of migration. They will then submit short essays, summarising their findings.
- A group of applicants will be selected to discuss their projects in group tutorial sessions with an Oxford historian, in the North East, in the spring.
- Applications are now open.
- For further information and to apply, please follow this link (<https://www.chch.ox.ac.uk/admissions/oral-history-competition>) and download the form!
- If you have any queries, please contact access@chch.ox.ac.uk.

St John's College Study Days

- Study Days at St John's College offer high-achieving Year 12 students at non-selective state schools an opportunity to experience higher level study in their chosen subject.
- Maths Study Day: Thursday 5th March 2020
- History Study Day: Tuesday 10th March 2020
- Classics and Ancient History Essay Competition and Subject Exploration Afternoon: Thursday 23rd April 2020 (see application details) (State and independent)
- Geography Study Day in Collaboration with Brasenose College: Wednesday 3rd June 2020
- Medicine and Biomedical Sciences: Saturday 6th June 2020
- Modern Languages Study Day: Thursday 18th June 2020
- Please visit this website for further details and to apply: <https://www.sjc.ox.ac.uk/study/working-schools/study-days/>

Balliol College Subject Taster Day

- Balliol College are running a Year 12 Chemistry taster day for high-achieving Year 12 students from state schools on Tuesday 17th March.
- Please find further information here: <https://www.balliol.ox.ac.uk/admissions/schools-and-outreach/outreach-talks-and-events>
- The application deadline is Tuesday 3rd March

Law Faculty Open Days

- It is our great pleasure to announce that bookings are now taken for the Law Faculty Open Days at Oxford University.
- This is an excellent opportunity to find out about studying Law at Oxford and for students to ...
 - o Hear all about our undergraduate courses, and opportunities for careers in law following undergraduate study
 - o Receive clear guidance on admissions procedures, entry requirements, and student finance.
 - o Meet current undergraduates and law lecturers.
 - o Have lunch and a tour in one of the Oxford Colleges
 - o Learn first-hand what it is like to study Law at Oxford
 - o The dates for these Open Days are: Monday 16, Tuesday 17, and Wednesday 18 March
 - o Only three students are invited per school. If you are interested, speak to your HOY asap.
 - o Applications close on Friday 21 February, or when fully booked.
 - o Please book early to avoid disappointment!

Law at Magdalen Residential

- Magdalen College is pleased to open applications for Law at Magdalen: a fully-funded residential access event for prospective Law students.
- Law at Magdalen is designed specifically for Year 12 students from backgrounds that are historically under-represented at Oxford.
- The aim of the event is to introduce prospective students to the realities of studying Law, and to help them to familiarise themselves with Oxford's approach to learning.
- The 2019 residential, witnessing a demonstration interview led by Professor Joe Sampson
- Please click on the following link (<https://www.magd.ox.ac.uk/wordpress/wp-content/uploads/2020/01/Law-at-Magdalen-2020-Draft-Schedule.pdf>) to view a draft programme:
- The residential will run from 15.00 on 12 August to 13.00 on 14 August 2020.
- Students will be accommodated at Magdalen free of charge and provided with all of their meals here.
- All reasonable travel expenses to and from Oxford via public transport will be reimbursed.
- See website (<https://www.magd.ox.ac.uk/law-at-magdalen-2020-application-form/>) in order to view eligibility criteria.
- The application deadline is 5pm on 27 March 2020.
- The application will involve nominating a teacher to provide a short reference; you must ask their permission prior to filling in the application form.
- You will be informed about the outcome of your application no later than 5pm on 17 April 2020.
- If you have any questions about this event, please don't hesitate to contact the event organisers at outreach@magd.ox.ac.uk

Women in Sciences Event

- Trinity, Jesus and Wadham Colleges are jointly hosting a Women in Sciences Event for female Year 12 students interested in studying science at university.
- This year we are running it as a one-day event and as a residential over three days from 15th-17th March to enable us to include more students from further away regions.
- The aim is to encourage and inspire female Year 12 students who have an interest in science to explore its varied and exciting potential at university.
- The main event will occur from 10:30-15:15 on 16th March.
- We will try to accommodate all those from the furthest distances away in college accommodation for one or two nights either side of this.
- This event is aimed at women interested in science, this includes any student who self-identifies as a woman.
- Please note that this event is likely to be oversubscribed; we will prioritise those from under-represented groups and those who have experienced some level of educational disadvantage.
- Due to the academic level of the lectures and seminars on offer, we will also prioritise those predicted BBB and above at A-level.
- Students sign up for the event individually by completing this online form ([link](#)).
- The deadline for completing the form is 14th February.
- We will let students know if they have a place on the event by 21st February.

Oxford University Summer School for Medical Humanities

- Green Templeton College, Oxford, is delighted to be running the third Oxford University Summer School for Medical Humanities from 12-18 July 2020.
- This is a residential summer school for 20 talented university and sixth form students.
- Oxford's top academics will introduce students to the interface between medicine and a wide array of arts, social science and humanities subjects, including anthropology, philosophy, literature, law and art history.

- We hope to attract prospective medical and humanities students who want to broaden their intellectual reach, and to learn to think in a more integrated, inter-disciplinary way.
- There are five full bursaries for sixth-formers at UK schools with the following criteria:
 - o Students who have been or are currently in care, and young carers
 - o Students who have been or are currently in receipt of Free School Meals or Pupil Premium
 - o Students with no family history of university attendance
 - o Students with ACORN and POLAR flags (your teachers will know if this applies to you so ask them).
- The bursary covers the full cost of the week, excluding travel to Oxford.
- Please see website for further information: <https://www.gtc.ox.ac.uk/academic/health-care/medical-humanities/>

University Year 12 Study Days

University College, Oxford have a programme of Year 12 subject study days taking place in the spring and summer Terms. These are planned as follows:

- Mathematical Sciences Study Day – Thursday 13 February (applications now open)
- Politics/Law/History Study Day* - Tuesday 18 February (applications now open)
- English and History Study Day - Friday 21 February (applications now open)
- Medical Science Study Day – Friday 1 May (application process coming soon)*Please note, our Politics, Law and History Study Day is specifically for Year 12 students from the UK of Black African, Caribbean or of Mixed Heritage of either Black African or Caribbean heritage.
- The application processes run separately for each subject-based study day.
- Students attend the day individually.
- To apply students must submit an application and a teacher from their school must support this by submitting a teachers' approval form. Please see more details about Univ's 2020 Year 12 study days, along with provisional programmes and links to the application forms on Univ's website.
- Please note: Help towards travel expenses for these days may be available for some students who otherwise would not be able to attend. This is allocated on a case-by-case basis, for example for students eligible for free school meals.
- Please contact the Schools Liaison and Access Officer, Nelli Chamings-Manley, with any queries T: 01865 286565 E: access@univ.ox.ac.uk

Upcoming Interview at Oxford?

- Listen to the new UAO podcast, or find out more information about what to expect online: <http://www.ox.ac.uk/admissions/undergraduate/applying-to-oxford/guide/interviews>
- If you have students with an upcoming interview in Oxford (or Cambridge!) and need any further support or guidance, please do get in contact: outreach@st-annes.ox.ac.uk – and good luck to all of your candidates!

Materials Science Taster Days 2020

- 2020 Oxford Materials Science Taster Days are now open for applications.
- These will run on 18th & 19th February and 31st March.
- They are aimed at Yr11 and 12 students who are interested in physical sciences and would like to find out more about Materials Science at Oxford.
- Students need to be studying or intending to study maths and physics at A level (or equivalent).
- Students over 16 years of age can attend unaccompanied.
- Further details and an application form can be found here (<https://www.materials.ox.ac.uk/admissions/schools/schools-outreach-events.html>). If you have any questions please contact the organiser, Jayne Shaw at schools.liaison@materials.ox.ac.uk

Medieval and Modern Languages Faculty Open Days

- If you have Year 12 students interested in applying to Oxford, please encourage them to attend an open day to get a feel for the university and meet the tutors and current students. The dates for our 2020 open days are as follows:
 - o German, Taylor Institution and Worcester College, Saturday 29 February
 - o Spanish and Portuguese, Exeter College Cohen Quadrangle, Friday 6 March
 - o Russian and other Slavonic Languages, Wadham College, Saturday 7 March
 - o Italian, Taylor Institution, Saturday 14 March
 - o General Modern Languages (all languages we offer and joint schools), Exam Schools, Saturday 2 May
- The programmes for these open days are now available online at: <https://www.mod-langs.ox.ac.uk/schools/meet-us>
- Booking is required, through our website: <https://www.mod-langs.ox.ac.uk/schools/meet-us>. If you have any questions, please get in touch at schools.liaison@mod-langs.ox.ac.uk
- Please note that there is no specific open day for French: those interested in French should attend the open day in May or the University-wide open days in July or September.

Engineering apprenticeships Open Day (Tyne North Training)

- Currently recruiting school leavers for apprenticeships starting in July to September 2020.
- Anyone interested in an apprenticeship can come along and find out more information from our Engineering Training Officers.
- Tyne North Training Open Event – Engineering Apprenticeships
 - o Saturday 15th February
 - o 10:00am – 1:00pm
 - o Tyne North Training, Embleton Avenue, North Tyneside, NE28 9NJ
 - o The open day is an ideal opportunity for young people to discover what career opportunities there are within engineering.
 - o They are targeted towards students who are coming to the end of 6th form or for those year 11 students who wish to pursue an apprenticeship.
- If you would like me to discuss the event in more detail please feel free to contact us on 0191 262 6860.
- Alternatively, you can visit our new website to find out more information or even apply directly for an apprenticeship.

Pathways to Higher Education Day at Sunderland University

- Are your students interested in attending university in the future? Then this is the event for you. This April we will be running 'Pathways to Higher Education' at the University of Sunderland. The event is a great opportunity for students to explore the world of university life and the variety of courses available here at the university of Sunderland
- Date: Wednesday 22nd April 2020
- Times: 9:30am – 12:00pm or 12:30pm – 3:00pm
- Aimed at year 10-11 pupils and year 12-13 students.
- An event designed to give a flavour of university life and provide an overview of courses, careers and opportunities to inspire and inform young people and help them to make informed choices about their future. Students can speak to our academics about the courses they are interested in and the careers that they open doors to.
- To secure places and the time slot of your choice please complete a booking form. (<https://form.jotformeu.com/93223808727361>)
- If you can't make this event please get in touch with us and we can discuss what else we can offer you and your students either in school or on our campus.

- Our upcoming Open Day is Wednesday 18th March, 15:00 – 18:30. Find out more.

Apprenticeship Opportunities with big companies

EY applications will close earlier than the advertised closing date once sufficient applications have been received

- EY Tax Apprenticeship Programme -Ernst & Young Llp – Level 7 Masters Degree

 - o <https://www.findapprenticeship.service.gov.uk/apprenticeship/-497807>

Newcastle Hospitals Day (careers in the NHS)

- Find out about a career in the NHS
- Over 40 different jobs to find out about
- Your future starts here!!
- Saturday 7th March
- 10am to 1pm
- New Education Centre, RVI
- www.careers.nuth.nhs.uk

VetCam 2020 - Introduction to Veterinary Medicine at Cambridge University

- Monday 6th, Tuesday 7th and Wednesday 8th April 2020

- The programme will include visits to both the pre-clinical and clinical departments to give a taste of the course, insight into life at a Cambridge college, and a chance to meet staff and current students.
- Places will be limited to 120 on first-come-first-served basis
- only likely A/A*-grade candidates should attend
- Please note that Chemistry A level (or equivalent) is mandatory, and we strongly recommend two other science subjects, normally Biology, Physics or Maths.
- (For information on entry requirements for different examination systems, please see www.undergraduate.study.cam.ac.uk/applying/entrance-requirements).
- To view a provisional programme for the event and for more information, please go to www.vet.cam.ac.uk/study/vet/vetcam.
- The 2020 course fee will be £240 for the all-inclusive two-and-a-half-day course; this fee covers all costs whilst attendees are in Cambridge.
- In addition, we are offering a number of bursaries, which will cover the course fee and reasonable travel costs to and from Cambridge. We particularly encourage applications from students from disadvantaged and under-represented backgrounds attending state-sector schools and colleges. Further details about eligibility for the bursaries are detailed at www.vet.cam.ac.uk/study/vet/vetcam - but if you need to discuss this further, please contact Rachel Worsley at rw351@cam.ac.uk
- The course can be booked and paid for using a debit or credit card by following the link at www.vet.cam.ac.uk/study/vet/vetcam

Work Experience with PriceWaterhouseCoopers

- PwC: Paid Business Insight Week at Global Professional Services Firm (August 2020).
- Spend an action-packed paid week in one of the PwC offices during your summer holidays.
- During your Business Insight Week, you'll participate in a range of workshops as well as shadowing staff in different teams across the business.
- 3rd Aug – 8th Aug **or** 17th Aug – 21st Aug 2020
- Students should apply as soon as possible to have the best chance of success.
- Application Deadline 14th February 2020.
- This programme is open to Year 12 students
- You must attend a state school AND meet one or more of the following criteria:
 - o Would be of the first generation in their immediate family to attend university;
 - o or are or have been eligible for free school meals in the last six years;
 - o or attend a school that is above the regional average in terms of number of students eligible for free school meals (this will be determined based on the school postcode you provide).
 - o You'll need to be on course for a 96 UCAS tariff from your BTEC, or across your top 3 A-Levels or equivalent qualification (excluding general studies and the EPQ)
 - o You'll need to have achieved a GCSE (or equivalent) grade 4 in Maths and English
- Apply here <https://www.s4snextgen.org/Sign-In>

Eton College Universities Summer School

- 10-day residential course with academic sessions with wide-range of extra-curricular activities
- Helping students from state-maintained schools reach the world's top universities
- Costs £625 but free places are available for students who meet specific criteria
- To apply to ECUSS complete application form which can be found on website (www.etoncollege.com/USS).
- Deadline March 1st 2020
- Tuesday 30th June until Friday 10th July 2020.
- Accommodation in Individual rooms in boarding houses.
- Minimum grades: At least five GCSEs grade 8 or above and a grade 8 or 9 in the subject that you intend to study at university.
- Application form also available from AKSL office

**NE1CAN Calendar (various opportunities)**

Work Experience placements for 2020 at HSBC UK

The Work Experience programme at HSBC UK offers a five-day shadowing experience to students in the later years of full-time secondary education, sixth form or college. The programme has been set up with the idea to help young people from different social-economic backgrounds gain an insight into a professional environment, as well as the banking industry.

Specific details regarding each opportunity and the option to submit an application can be found here [https://hsbc.taleo.net/careersection/external/moresearch.ft?lang=en_GB&location=5536170451648&keyword="HS BCWE2020%22&Location=Europe](https://hsbc.taleo.net/careersection/external/moresearch.ft?lang=en_GB&location=5536170451648&keyword=)

The application process will entail some online questions and, if successful, a telephone interview. To help prepare for this, we recommend checking out our Application Hints and Tips page here: <http://www.hsbc.com/careers/application-hints-and-tips> A telephone interview will be arranged with the student during the office hours (Monday to Friday), HSBC UK would request the education providers/authorities to allow the student to attend this interview during school hours where possible.

Our placements will be spread out across the UK and students can list their location preferences when applying, but please note that only one application should be submitted and we cannot make any guarantees on placing a student in their preferred location as this is subject to availability.

The closing date for applications is the **16th February 2020**, however we do offer these on a rolling basis and do reserve the right to close some adverts early if we fill all our spaces. Places are limited so we recommend students apply as early as possible to avoid disappointment.

More Opportunities with the NHS

Project Choice

We work with the [Project Choice](#) team to ensure that young people with disabilities, learning disabilities and difficulties, and/or autism who attend mainstream schools are aware of the supported internships available in the NHS. If you would like more information, please get in touch with the team.

Work Experience

Many of our local NHS employers offer wonderful programmes of work experience, but we often receive feedback from schools and young people that they struggle to know who to contact. We are currently developing a Work Experience webportal to link young people with employers' application processes. We hope to develop virtual tours to allow exposure to different NHS environments which can be accessed both at home and in the classroom.

Information on GP work experience has recently moved to the [Made in HEENE](#) site.

Please direct any queries to Careers.NE@hee.nhs.uk.
