Retail, Hospitality and Customer Service Jobs Fair

- Friday 20th March
- 1230pm-3pm
- Moncur Suite at St James Park, Newcastle upon Tyne
- Are you looking for work? Come along and meet local employers who have vacancies to fill
- <https://stjamesjobsfair.eventbrite.co.uk> or call 01912774125

YMCA Newcastle Job and Apprenticeship Fair

- Leaving school soon? Fancy a new job or starting a new career
- Our job and apprenticeship fair is the perfect opportunity for you to meet with local businesses, training providers and colleges all looking to recruit now!
- Come along and get your future off to a flying start!
- 12pm-3pm
- 18th March 2020
- YMCA SPACE2, Pilgrim Street, Newcastle, NE16QE
- 01912602923
- Space2@ymcanewcastle.com

Health Alive

- Event will be held on Thursday 2nd April at our Coach Lane Campus, Benton.
- This event will have sessions from: Nursing (Adult, Children's, Mental Health and Learning Disability), Midwifery and Occupational Therapy.
- The event will go live on Wednesday 11th March, at 10am. All information and student sign-ups can be found [here \(https://www.northumbria.ac.uk/study-at-northumbria/Information%20for%20Schools%20and%20Colleges/Visit%20Northumbria/Health%20Alive\)](https://www.northumbria.ac.uk/study-at-northumbria/Information%20for%20Schools%20and%20Colleges/Visit%20Northumbria/Health%20Alive)
- This event is open to Y12 students only.
- Please note that this event is first come, first served. The last event, in December, was full within two days so please make a note of this when asking students to sign-up to avoid disappointment.

Northumbria University Fashion Event

- Fashioned Up North is an exciting, brand new way for the Northumbria University Fashion Department to show you what we do! As a thriving community of three dynamic BA Hons Fashion degree programmes, we are delighted to invite you to share an experiential afternoon with us. Our aim is to encourage your amazing students to aspire to be our future students and join us on an unrivalled journey of discovery and creativity.
- Date - Tuesday March 31st, 2020
- Venue – Baltic Centre for Contemporary Art
- Gateshead Quay
- Time 1pm – 2.30pm
- To register your group's interest with an idea of a number of guests please contact chris.hodge@northumbria.ac.uk as soon as is convenient.

Robot Wars with the Prince's Trust

- 1 week opportunity
- For young people aged 16-25 years.

- From Monday 9th to Friday 13th March our young people have the opportunity to work alongside Roaming Robots, experts from the Robot Wars programme!
- Young people will design and build their own robot then battle it out on the arena floor.
- There is an opportunity to learn about the technology and engineering behind these amazing machines.
- If you have someone who is interested, please see Dr Reed for a referral form, and email to our team email account asap – princestrustne@princes-trust.org.uk.
- There is a taster day on Wednesday 4th March where young people can come along and find out more

Opportunities for NE KS5 Students at St. Anne's, University of Oxford

North East Open Day Residential for Students:

- This residential is designed to support NE students in attending our University Open Days in July completely free of charge.
- Year 12 students will travel to and from Oxford together by coach.
- There will be two coach pick-up points in central Newcastle and Darlington, and the coach will be staffed by a member of the NE Consortium team.
- They will stay for two nights in college accommodation and have all meals catered for in the college dining halls. We will run sessions on Oxford applications and how to make the most of the Open Day, as well as offering Q&A and discussion sessions with undergraduates.
- There will also be plenty of opportunities to speak to students more informally while travelling on the coach, at meal times and during undergraduate-led social activities in the evenings.
- Students will attend the Open Day on 1st July and are free to organise this part of the residential independently.
- Register using the form (<https://www.trinity.ox.ac.uk/north-east-open-day-residential-2019/>)
- The closing date for applications is Friday 3rd April. We will notify students whether we can offer them a place or not by 22nd April.

Unsung Heroes of Science Video Competition

- Who has history forgotten? Whose story has been left out of the textbooks? Whose work gets overlooked?
- We want you to make a two-minute video celebrating an unsung hero of science!
- This exciting competition is open to anyone in the UK aged 16-18.
- The prize this year is spending time behind-the-scenes at the BBC with Fiona Bruce.
- The shortlisted videos will be promoted by Hertford College and their creators will be invited to an all-expenses-paid celebration day in Oxford.
- The deadline is Friday 24th April, so start choosing your unsung heroes of science now!
- For more information, check out the competition webpage: www.hertford.ox.ac.uk/unsungscience

Teddy Rocks Maths Essay Competition

- Competition open to all with an additional prize for entrants under the age of 18.
- Prize: £50 for the best overall essay and a further £50 for the best essay written by a student under the age of 18.
- Tom Crawford, College Lecturer at St Edmund Hall and creator of the 'Tom Rocks Maths' outreach programme, is running the first 'Teddy Rocks Maths' Essay Competition.
- This is YOUR chance to write a short article about your favourite mathematical topic which could win you a prize of up to £100.
- All entries will be showcased at tomrocksmaths.com with the winners published on the St Edmund Hall website.

- Entries should be between 1000-2000 words and must be submitted as Microsoft Word documents or PDF files using the form below.
- The closing date is 12 March 2020 and the winners will be announced in April 2020.
- For more information and to enter, visit seh.ac/teddyrocksmaths

The White Rose Project German Writing Competition

- Competition open to pupils in years 12 and 13 (or equivalent)
- Prize: £100 and the winner will be invited to a prize-giving ceremony at the Bodleian Library, University of Oxford, in June 2020. The winning essay will also be featured on the White Rose Project website.
- In 1943 five students and a professor at the University of Munich were arrested, interrogated, tried, and executed. They were members of The White Rose (Die Weiße Rose), a group that secretly wrote and distributed leaflets calling on the Germans to resist Hitler. This competition challenges you to find out about the White Rose resistance group and write an essay in German (max. 350 words) titled: „Was können wir heute noch von der Weißen Rose lernen?“
- You can start to find out more about the group here and on the White Rose Project website.
- https://www.ogn.ox.ac.uk/files/ogo_2020_white_rose_writing_competition_guidelines.pdf
- For full details of the competition, download the entry guidelines. You can enter using the online form.
- The closing date for submissions is 12 noon, Friday, 24 April 2020.

Humanities BAME Year 12 Study Day – Wednesday 15 April

- The Humanities Division, Magdalen College and University College are organising a Humanities Study Day on Wednesday 15th April 2020.
- This day is for Year 12 students from UK schools who have Black, Asian, or Minority Ethnic (BAME) heritage.
- Attendees will have the chance to explore two of Oxford's colleges by taking part in academic sessions, learning about the admissions process and interacting with current undergraduate students. You can see more information about the day and details of how to apply here (<https://www.humanities.ox.ac.uk/article/year-12-humanities-bame-study-day-2020>)
- To apply for this day, an application form and teachers' approval form must be completed by noon on Monday 16 March 2020.
- A limited amount of accommodation is available on the evening of 14th April for applicants coming from over 2.5 hours away, and some travel expenses may be covered.
- Any questions about the application form should be directed to access@univ.ox.ac.uk or by phone to 01865 286565.

Pembroke College Mathematics Residential (Year 12)

- Thursday 16-Friday 17 April
- Are you thinking about studying Mathematics at University? Are you a Year 12 student at a UK state school?
- The Pembroke College Mathematics residential offers students a chance to learn more about studying Maths at Oxford and the Oxford admissions process.
- Participants will attend a series of lectures and seminars on different Mathematical topics, and have the opportunity to meet Maths academics and Oxford students.
- This residential will be held in Pembroke College, University of Oxford, 16-17 April. The event is free of charge, including accommodation on the night of 16 April and meals.
- More information can be found here (<https://www.pmb.ox.ac.uk/study-pembroke/access-outreach/pembroke-college-mathematics-residential>).
- Students should apply using this form (<https://oxford.onlinesurveys.ac.uk/pmbmathsres20>) by 12 noon on Tuesday 17 March.

- If you have any questions about the residential or application process please email Kirsty Simpson, Admissions and Access Officer, at admissions@pmb.ox.ac.uk

Placement with Procter & Gamble in STEM

- This is an exciting call to your current Year 13 students who are interested in a career in science or engineering, who live in the North East and want to stay in the North East!
- First steps:
 - o YINI is an excellent platform to support students in taking their first steps before heading off to an apprenticeship, university or perhaps even permanent employment.
 - o Each student will receive a YINI Mentor to support them, plus support from their company line manager and the YINI team.
 - o These placements are based in the Newcastle Innovation Centre (NIC) and focus on developing products for Fabric and Home Care consumers.
 - o P&G's Year in Industry program is designed to provide an invaluable source of industrial training and experience, to ensure students can progress into rewarding careers in industry and/or academia. However, there are also opportunities for successful students to progress to a permanent role within P&G.
 - o P&G are therefore keen to see applications from school leavers (via the YINI Scheme) with A levels/or equivalent who would be interested in this internship as a route into a career as a researcher in P&G.
- To Apply:
 - o Students must Register with the YINI scheme to be considered for these roles with P&G
 - o Register for YINI here: <https://www.etrust.org.uk/yini-register>
 - o Once you've registered, YINI will instruct you on the next step and help you put your CV together plus complete a short telephone interview with you.

Women in STEM

- The RSC Newcastle Upon Tyne and North East Coast Local Section have collaborated with the Lit & Phil, the Women's Engineering Society, Palace of Science, the Institute of Physics, the Institution of Chemical Engineers, and the Institution of Civil Engineers to organise a series of Women in STEM (science, technology, engineering and maths) lectures, talks and panels.
- Events in the series will be on the 4th Thursday of each month, January to June.
- All events are open to everyone, members and non-members of any gender, and are free to attend.
- Please register in advance with the Lit and Phil.
 - o <https://www.litandphil.org.uk/whats-on/>

Engineering Development Trust University Taster programme

- For year 12's (S5's) Headstart is a 4/5 day residential in-depth course with a diverse range of STEM subjects to choose from with many covering some first year undergraduate degree content.
- This is an excellent opportunity for any future undergraduate to build confidence, talk to academics and current undergraduates in order that they make well informed decisions going forward about their future higher education and possible STEM career paths.
- <https://www.etrust.org.uk/headstart-courses>
- Offers are now being considered to those already applied.
- Applications must CLOSE on Monday 23rd March for the programme

Opportunities at Oxford University

St John's College Study Days

- Study Days at St John's College offer high-achieving Year 12 students at non-selective state schools an opportunity to experience higher level study in their chosen subject.
- Classics and Ancient History Essay Competition and Subject Exploration Afternoon: Thursday 23rd April 2020 (see application details) (State and independent)
- Geography Study Day in Collaboration with Brasenose College: Wednesday 3rd June 2020
- Medicine and Biomedical Sciences: Saturday 6th June 2020
- Modern Languages Study Day: Thursday 18th June 2020
- Please visit this website for further details and to apply: <https://www.sjc.ox.ac.uk/study/working-schools/study-days/>

Law at Magdalen Residential

- Magdalen College is pleased to open applications for Law at Magdalen: a fully-funded residential access event for prospective Law students.
- Law at Magdalen is designed specifically for Year 12 students from backgrounds that are historically under-represented at Oxford.
- The aim of the event is to introduce prospective students to the realities of studying Law, and to help them to familiarise themselves with Oxford's approach to learning.
- The 2019 residential, witnessing a demonstration interview led by Professor Joe Sampson
- Please click on the following link (<https://www.magd.ox.ac.uk/wordpress/wp-content/uploads/2020/01/Law-at-Magdalen-2020-Draft-Schedule.pdf>) to view a draft programme:
- The residential will run from 15.00 on 12 August to 13.00 on 14 August 2020.
- Students will be accommodated at Magdalen free of charge and provided with all of their meals here.
- All reasonable travel expenses to and from Oxford via public transport will be reimbursed.
- See website (<https://www.magd.ox.ac.uk/law-at-magdalen-2020-application-form/>) in order to view eligibility criteria.
- The application deadline is 5pm on 27 March 2020.
- The application will involve nominating a teacher to provide a short reference; you must ask their permission prior to filling in the application form.
- You will be informed about the outcome of your application no later than 5pm on 17 April 2020.
- If you have any questions about this event, please don't hesitate to contact the event organisers at outreach@magd.ox.ac.uk

Oxford University Summer School for Medical Humanities

- Green Templeton College, Oxford, is delighted to be running the third Oxford University Summer School for Medical Humanities from 12-18 July 2020.
- This is a residential summer school for 20 talented university and sixth form students.
- Oxford's top academics will introduce students to the interface between medicine and a wide array of arts, social science and humanities subjects, including anthropology, philosophy, literature, law and art history.
- We hope to attract prospective medical and humanities students who want to broaden their intellectual reach, and to learn to think in a more integrated, inter-disciplinary way.
- There are five full bursaries for sixth-formers at UK schools with the following criteria:
 - o Students who have been or are currently in care, and young carers
 - o Students who have been or are currently in receipt of Free School Meals or Pupil Premium
 - o Students with no family history of university attendance

- Students with ACORN and POLAR flags (your teachers will know if this applies to you so ask them).
- The bursary covers the full cost of the week, excluding travel to Oxford.
- Please see website for further information: <https://www.gtc.ox.ac.uk/academic/health-care/medical-humanities/>

University Year 12 Study Days

University College, Oxford have a programme of Year 12 subject study days taking place in the spring and summer Terms. These are planned as follows:

- Medical Science Study Day – Friday 1 May (application process coming soon)*Please note, our Politics, Law and History Study Day is specifically for Year 12 students from the UK of Black African, Caribbean or of Mixed Heritage of either Black African or Caribbean heritage.
- The application processes run separately for each subject-based study day.
- Students attend the day individually.
- To apply students must submit an application and a teacher from their school must support this by submitting a teachers' approval form. Please see more details about Univ's 2020 Year 12 study days, along with provisional programmes and links to the application forms on Univ's website.
- Please note: Help towards travel expenses for these days may be available for some students who otherwise would not be able to attend. This is allocated on a case-by-case basis, for example for students eligible for free school meals.
- Please contact the Schools Liaison and Access Officer, Nelli Chamings-Manley, with any queries T: 01865 286565 E: access@univ.ox.ac.uk

Upcoming Interview at Oxford?

- Listen to the new UAO podcast, or find out more information about what to expect online: <http://www.ox.ac.uk/admissions/undergraduate/applying-to-oxford/guide/interviews>
- If you have students with an upcoming interview in Oxford (or Cambridge!) and need any further support or guidance, please do get in contact: outreach@st-annes.ox.ac.uk – and good luck to all of your candidates!

Materials Science Taster Days 2020

- 2020 Oxford Materials Science Taster Days are now open for applications.
- These will run on 18th & 19th February and 31st March.
- They are aimed at Yr11 and 12 students who are interested in physical sciences and would like to find out more about Materials Science at Oxford.
- Students need to be studying or intending to study maths and physics at A level (or equivalent).
- Students over 16 years of age can attend unaccompanied.
- Further details and an application form can be found here (<https://www.materials.ox.ac.uk/admissions/schools/schools-outreach-events.html>). If you have any questions please contact the organiser, Jayne Shaw at schools.liaison@materials.ox.ac.uk

Medieval and Modern Languages Faculty Open Days

- If you have Year 12 students interested in applying to Oxford, please encourage them to attend an open day to get a feel for the university and meet the tutors and current students. The dates for our 2020 open days are as follows:
 - Italian, Taylor Institution, Saturday 14 March
 - General Modern Languages (all languages we offer and joint schools), Exam Schools, Saturday 2 May
- The programmes for these open days are now available online at: <https://www.mod-langs.ox.ac.uk/schools/meet-us>
- Booking is required, through our website: <https://www.mod-langs.ox.ac.uk/schools/meet-us>. If you have any questions, please get in touch at schools.liaison@mod-langs.ox.ac.uk

- Please note that there is no specific open day for French: those interested in French should attend the open day in May or the University-wide open days in July or September.

Pathways to Higher Education Day at Sunderland University

- Are your students interested in attending university in the future? Then this is the event for you. This April we will be running 'Pathways to Higher Education' at the University of Sunderland. The event is a great opportunity for students to explore the world of university life and the variety of courses available here at the university of Sunderland
- Date: Wednesday 22nd April 2020
- Times: 9:30am – 12:00pm or 12:30pm – 3:00pm
- Aimed at year 10-11 pupils and year 12-13 students.
- An event designed to give a flavour of university life and provide an overview of courses, careers and opportunities to inspire and inform young people and help them to make informed choices about their future. Students can speak to our academics about the courses they are interested in and the careers that they open doors to.
- To secure places and the time slot of your choice please complete a booking form. (<https://form.jotformeu.com/93223808727361>)
- If you can't make this event please get in touch with us and we can discuss what else we can offer you and your students either in school or on our campus.
- Our upcoming Open Day is Wednesday 18th March, 15:00 – 18:30. Find out more.

VetCam 2020 - Introduction to Veterinary Medicine at Cambridge University

- Monday 6th, Tuesday 7th and Wednesday 8th April 2020
- The programme will include visits to both the pre-clinical and clinical departments to give a taste of the course, insight into life at a Cambridge college, and a chance to meet staff and current students.
- Places will be limited to 120 on first-come-first-served basis
- only likely A/A*-grade candidates should attend

- Please note that Chemistry A level (or equivalent) is mandatory, and we strongly recommend two other science subjects, normally Biology, Physics or Maths.
- (For information on entry requirements for different examination systems, please see www.undergraduate.study.cam.ac.uk/applying/entrance-requirements).
- To view a provisional programme for the event and for more information, please go to www.vet.cam.ac.uk/study/vet/vetcam.
- The 2020 course fee will be £240 for the all-inclusive two-and-a-half-day course; this fee covers all costs whilst attendees are in Cambridge.
- In addition, we are offering a number of bursaries, which will cover the course fee and reasonable travel costs to and from Cambridge. We particularly encourage applications from students from disadvantaged and under-represented backgrounds attending state-sector schools and colleges. Further details about eligibility for the bursaries are detailed at www.vet.cam.ac.uk/study/vet/vetcam - but if you need to discuss this further, please contact Rachel Worsley at rw351@cam.ac.uk
- The course can be booked and paid for using a debit or credit card by following the link at www.vet.cam.ac.uk/study/vet/vetcam

NE1CAN Calendar (various opportunities)

For further information or to book contact Cath Tucker, NE1 Can Careers Manager, catherine.tucker@newcastle1ltd.com 0191 2113950

Thursday 07/05/2020 10:00 – 12:00	Designing the Future; Ryder Architecture	Ryder Architecture Cooper's Studios 14 Westgate Road Newcastle NE1 3NN	40 Spaces Year 10/11/12	Discover how the construction industry shapes the future of our communities, cities and the wider world. More Opportunities with the NHS

Project Choice

- We work with the Project Choice team to ensure that young people with disabilities, learning disabilities and difficulties, and/or autism who attend mainstream schools are aware of the supported internships available in the NHS.
- If you would like more information, please get in touch with the team.

Work Experience

- Many of our local NHS employers offer wonderful programmes of work experience, but we often receive feedback from schools and young people that they struggle to know who to contact.
- We are currently developing a Work Experience webportal to link young people with employers' application processes.
- Information on GP work experience has recently moved to the Made in HEENE site.

Please direct any queries to Careers.NE@hee.nhs.uk.

Opportunities at Sunderland University

- GET INTO ART & DESIGN 10am-2:30pm Wednesday 17th June 2020
