

SPECIAL NEEDS POLICY

The club staff will work alongside parents to ensure that their child's special needs are met. All children are welcome to attend and staff will organise the environment and plan activities to ensure all children take part at an appropriate level to their needs. The leader will inform parents of any difficulties that may arise.

LOST CHILD POLICY

Every care is taken to ensure that all children are accounted for at all times. However, in the unlikely event that it is suspected a child has gone missing an immediate role call will be taken. If it is discovered that a child is unaccounted for then a thorough search of the premises and its surroundings will be carried out. On no account are the other children to be left unsupervised at any time. If after a thorough search, of no longer than 10 minutes, it proves unsuccessful in establishing the whereabouts of the child the Emergency Services and the parents would be informed.

UNCOLLECTED CHILD

In the event of a child's parent/carer failing to collect them, their safety is of utmost importance. On no account is the child to be handed over to an unauthorised person. Two members of staff are to remain with the child whilst an attempt to contact the parent is made. If, after 15 minutes, no contact has been made, the Headteacher will be informed. In the event that contact could not be made within this time, and in any event by 18:00 hours, Social Services are to be contacted and advised of the situation. Staff will then follow Social Services advice.

FOOD ALLERGENS:

Please consult with a member of the office staff if you have any concerns regarding allergies.

MEDICAL

I consent to my child receiving medical treatment in an emergency.

PERSONAL POSSESSIONS

I understand that the club cannot accept responsibility for children's possessions or valuables whilst they are attending the Club.
