Overview of the Year 2019-2020

This is a suggested overview of the year. Dates are not included as there is variation among local authorities.

It is suggested that 4 weeks are spent on each topic, but again this will depend on term length. Please personalise this for your school.

A week on Judaism has been included in the autumn term and a week on another faith (Islam) in the Spring term. Islam can be replaced by another faith. The second faith could be taught in the summer term if it is longer than spring term.
