

The Pearl of Africa choir

We were incredibly lucky to be visited by the Pearl of Africa choir again this year. The children's choir comes from Uganda. The event was organised by St Patrick's Catholic College for all the schools within "Our Lady of Light Voluntary Catholic Academy.

During the day, children from the schools were taught a number of African songs, dances and techniques to play African drums. In the evening there was an amazing performance by The Pearl of Africa Choir, during which the school children had the opportunity to demonstrate what they had learnt.

The aim of the Pearl of Africa choir, is to **raise funds for the six schools and homes run by the Molly and Paul Child Care Foundation. It is a Ugandan non-government organisation which provides education, food, shelter and healthcare to orphaned and destitute children in the Kampala and Masaka district.**

The choir brought great joy to the community and the concert was thoroughly enjoyed.
